Pfc. Eckert Feted At Armory Dinner

Pfc. Robert Douw Eckert, son of Mr. and Mrs. Heyward Eckert of Rifton, one of 10 enlisted men of the New York National Guard who will report as Cadets to the United States Military Academy, West Point, in July, was guest of honor at a steak dinner Wednesday night at the National Guard Armory by the officers of the 156th Field Artillery Battalion.

SUPERINTENDENT John V. Harding and members of the Staff of the New York State Institution for Male Defective Delinquents at Napanoch were invited guests. A tour of the Armory and the facilities was conducted following the dinner.

Lt. Colonel Frank W. Harkin, commanding officer of the Battalion, presented Pfc. Eckert with a personal copy of the book entitled, "The Nation's National Guard" published by the National Guard Association of the United States. In making the presentation, Col. Harkin said the book was "deemed an appropriate reminder" for young Eckert "that it was through the New York National Guard as an enlisted man your entrance to the United States Military Academy was possible. We are indeed proud of your accomplishments in passing the entrance examinations and wish you much success, Cadet Eckert."

Pfc. Eckert, 19, enlisted in Battery A, 156th Field Artillery Battalion, New York National Guard, as a private July 12, 1954. He has served as a computor with the fired direction team.

A GRADUATE of Kingston High School, Class of 1953, he attended New York State Maritime College at Fort Schuyler, where he majored in mathematics. At the college he was a member of the cross country and the boxing team and Glee Club. Last Fall, Eckert became a student in the New York National Guard Preparatory School for the United States Military Academy, which is conducted jointly by the New York State Division of Military and Naval Affairs and the State University of New York, at the Institute of Applied Arts and Sciences in Brooklyn. He is a marksman with the M-1 Rifle, a stock car racing enthusiast and enjoys tennis.

Pfc. Eckert hopes to become

Damages Asked of Sperry Rand

IBM Denies Monopoly Of Tabulating Devices

New York, June 7 (AP)—The International Business Machines Corp. (IBM), answering an anti-trust suit filed by a competitor, denies it has been unlawfully monopolizing the tabulating machine business.

IBM, in turn, charged yesterday that the competitor, the Sperry Rand Corp., has infringed on 35 IBM patents.

IBM demanded an accounting of Sperry Rand profits from the alleged infringements, and asked triple damages based on the amount.

Sperry Rand filed its 90-million-dollar civil anti-trust suit in Federal Court last Dec. 27. It charged that IBM has "substantially lessened competition and has unreasonably restrained and has monopolized interstate trade and commerce in the manufacture, distribution, lease and sale of tabulating machines in violation of the Sherman Anti-Trust Act."

Sperry Rand also sought triple damages based on the amount of business it allegedly lost because of the practices laid to IBM.

IBM, in filing a general denial of the Sperry Rand charges, said in the accompanying counter-action that the alleged patent infringements by Sperry Rand were "willful, wanton and deliberate."

The Sperry Rand machines which IBM alleges infringe on its patents include the electronic brain, Univac. The Sperry Rand machines bear the Remington Rand label. The Sperry Corp. and Remington Rand merged last year.

Delinquency Blamed on SomeParents

St. Louis, June 7 (AP) — The president of the American Red Cross says parents who are "unwilling to undergo the discipline of making a home and bringing up children" are probably a major cause of the nation's present youth problems.

Ellsworth Bunker, the organization's president, spoke yesterday on the last day of its three-day national convention attended by nearly 5,000 delegates. He criticized "absentee parents" as the chief cause of juvenile delinquency.

Bunker, a resident of New York and Putney, Vt., said the "average urban family" remains in one location only a little more than two years.

"What effect does this have on children who are thus prevented from putting down any real roots in school, church and community?" he asked.

Because of "high pressure salesmanship," Bunker declared, the concept of saving and thrift has been almost forgotten and a large part of our population now lives with its income committed for years in the future.

He said the Red Cross should extend its first aid and safety instruction activities because of the current do-it-yourself boom, which he said was responsible for 600,000 accidents last year.

"About 15,000 amateur carpenters smashed their thumbs last year," Bunker said, "and 57,000 people banged themselves up climbing around their own roofs."

Eight new members were elected and two members re-elected to three-year terms on the Red Cross board of governors. Washington, D. C., was

Probation Requests Are Made

Bigger Staff Is Asked, Also Office

The county's chief probation officer has asked that his staff be increased to five to handle an ever-increasing work load.

Edmund U. Burhans has suggested that the board of supervisors explore the matter of getting 50 per cent reimbursement from the state for the purpose.

He also notes in his annual report to the board that office facilities are limited at the Ulster county court house.

RELATIVE to increasing his staff, Mr. Burhans is asking for an additional probation worker and another stenographer. He has one of each at present.

In asking for more suitable quarters, Mr. Burhans pointed out the probation office is in the outer public office of the county judge, and stressed that there is no privacy for interviews or conferences.

THE AMOUNT of monies collected through the probation department continues to show a marked increase. In 1954 the total amount collected was $92,057.59 and in 1955 the amount was $100,555.58. Of that sum $97,462.91 was for family support. Had this money not been collected through the probation office, much of it would have had to be disbursed by the County Welfare Department in the form of public assistance.

Appreciation for cooperation from former County Judges John M. Cashin and William A. Kelly is expressed in the report as well as that of the sheriff, city and state police, village police, Department of Public Welfare, the clergy, Catholic Charities, city and county officials and the State Department of Correction, Division of Probation.

IN ADDITION to the $97,462.91 paid for family support, restitution accounted for $1,117.67 and there was also received for physically handicapped

Aldermen GetParade, Park Notes

Mayone Praised; Glad of Play Area

A resolution presented at Tuesday's Common Council meeting praised the work of City Marshal John Ray Mayone in conjunction with the local observance of Memorial Day, and a letter from James K. Ryan, 10th ward alderman, expressed thanks to those responsible for making a playground available in his ward.

THE RESOLUTION praising Mayone was offered by Edwin Radel, third ward, and seconded by Frank Zakseski, fourth ward.

It asked that the council "forward through the city clerk, a letter expressing commendation to City Marshal John Ray Mayone for a job well done this year, and in previous years, in organizing and executing duties connected with the Memorial Day parade and ceremonies for the City of Kingston."

The resolution also asked that "on behalf of aldermen, representing downtown wards, that this council recommend that future parades, sponsored by this city, originate or terminate at a point in the downtown area, so as to give consideration to people in all areas of the city."

RYAN'S LETTER said that it was "with much joy," that he read in The Freeman that the Board of Public Works, through the splendid cooperation of the Metropolitan Life Insurance Co., will be able to put a playground at the disposal of youngsters in the central part of the city. This will fill a serious need that has existed ever since the property, formerly known as Barmann Park, was acquired for industrial purposes."

Ryan noted that a year ago last April, he contacted "the manager of the records department of the Metropolitan Life Insurance Co., with this use of any extra space not presently

Pangburn Is Reelected to Water Post

At the annual meeting this week of the board of water commissioners Howard Pangburn was reelected president, and Paul J. Schatzel, secretary.

Mr. Pangburn had held the post since January 1, this year, when he was elected by the board to replace John J. Schwenk, who became alderman-at-large of the city.

The election Tuesday night of Mr. Pangburn is for a year, ending June 1, 1957. He has been on the water board since June 1, 1952, when he was appointed for a five-year term by Mayor Oscar V. Newkirk.

Reelection of Secretary Schatzel, a former alderman, is for a year. He has been serving in the position on the board since June 1, 1953.

At the meeting Tuesday, President Pangburn appointed commissioners to places on committees to serve during the ensuing year as follows:

Secretary Schatzel and Thomas M. Davitt, finance and auditing.

Benjamin Schecter and Abram D. Relyea, also a former alderman, extension and improvement and purchasing.

One Plan Calls for Jr. High Near Dietz Field

State Report Awaited on Formation Of Greater Kingston School District

School expansion occupied the attention of the Kingston Board of Education Wednesday night with four major points under discussion:

1. Proposed construction of a second junior high school in the Dietz Stadium area with a capacity of 1,000 students.
2. Proposed purchase of 10 or 12 acres in the vicinity of the Myron J. Michael School.
3. Proposed purchase of land on Flatbush avenue back of Colonial Gardens as the site of a possible third junior high school to be built in case the Greater Kingston School District becomes reality.
4. Addition of four classrooms in the vocational education building. The board authorized retention of Gerard W. Betz, Kingston architect, who designed the vocational building, to submit plans for the four classrooms.

THE BOARD is studying the possibility of acquiring land between Dietz Stadium and Forsyth Park as a site for the proposed second junior high school. It was explained that adequate land lay between the stadium and that part of the park in active use without encroaching on park facilities.

Superintendent Earl Soper indicated that these plans had the support of State Education Department officials.

THE MATTER of acquiring title to park land as site for the school was discussed at some length. A copy of the deed will be obtained and legal aspects of the question studied.

The report of the State Education Department on the Greater Kingston School District has not been received and all questions are still in the "talking stage." The Greater Kingston plan envisages consolidation of a number of outlying school districts with the Kingston system.

IT IS REPORTED that the Forsyth Park deed provides for use of the property by the city as a park and that when the park ceases to exist the property reverts to Forsyth heirs.

A second junior high school is considered essential — with or without consolidation.

With consolidation, which would reportedly embrace approximately 25 outlying school districts, the junior high school enrollment would increase to an estimated 2,700 students, Superintendent Soper told the board. This is triple the 900 students now at Myron J. Michael School —capacity of which is only 700.

The present junior high school includes only seventh and eighth grades. Under the Greater Kingston District, if adopted, the junior high school would consist of seventh, eighth and ninth grades and the high school of tenth, eleventh and twelfth grades.

It was estimated "roughly" that the addition of four classrooms in the vocational building might cost $50,000 or $60,000.

A FINAL meeting of the board will be held at 8 p. m. Monday, June 25.

Mr. Soper received the congratulations of the board for completion of the Ph.D (Doctor of Philosophy) in education on Monday from the University of Syracuse. He came in for some joshing from board members who insisted on calling him "Doctor Soper."

The board took cognizance of a new portrait of Arthur J. Laidlaw, former superintendent of schools, which has been hung in the superintendent's office.

CONTRACT for a complete audit of the school financial record was awarded to Alfred D. Ronder of Kingston.

It was also agreed to accept approximately 12 or more students from Grades 5 and 6 in Woodstock School District 7 (Zena) for the next school year. The board indicated, however, that it might not be possible to

Candidates Rest After Hard Grind

(By The Associated Press)

Adlai Stevenson and Sen. Estes Kefauver rested today after their long Democratic presidential primary grind which ended Tuesday in Stevenson's smashing victory over Kefauver in California.

Stevenson, in front once more as a contender for his party's presidential nomination, planned to loaf a bit at his Illinois home.

Kefauver—who has vowed to keep up his nomination fight—headed for two days of sunning at a Southern California desert resort. Its location was kept a secret.

THE LATEST available ballot count from California's presidential primary—the last this year—gave Stevenson 1,041,303 votes to 626,030 for Kefauver. This was in 21,746 of the big state's 24,160 precincts.

President Eisenhower, unopposed on the Republican ballot in California, had 1,165,535 votes in returns from 20,877 precincts.

Kefauver said yesterday he plans to "carry on a vigorous campaign in the various convention states," but many political observers regarded his nomination chances as slight in the wake of five straight primary defeats by Stevenson—in Alaska, the District of Columbia, Oregon, Florida and California.

THIRTY-EIGHT states already have chosen full or partial delegations to the Democratic National Convention in August. Delegates already picked will cast a total of 1,108 nominating votes. Eleven states and three territories still must select

No Indication on New Trial

Judge Dismisses Jury In Murder Deadlock

Poughkeepsie, N. Y., June 7 (AP)—A Dutchess county jury failed yesterday to agree on a verdict in the murder trial of 21-year-old Wells Van Steenbergh, charged with killing Mrs. Lloyd Beresford in her Staatsburg N. Y., home.

Judge John R. Schwartz dismissed the jurors. There was no immediate indication whether the state would seek a new trial for the University of Bridgeport, Conn., freshman.

In the meantime the court remanded Van Steenbergh to jail.

The panel began its deliberations Tuesday night, recessed at 2 a. m., and resumed yesterday morning. The jurors were in the jury room a total of nine hours.

The state contended Mrs. Beresford, 38, fainted after surprising Van Steenburgh in her home and he doused her unconscious body with gasoline and set the house on fire, killing her. The prosecution charged the youth was stealing $3,500 from the house.

Van Steenbergh denied the charge, saying he was 60 miles away at the time of the woman's death.

Van Steenbergh was befriended by the Beresfords after Beresford, a well known dog fancier, gave a hitch-hike lift to the student.

During the trial there was testomony that Mrs. Beresford was enamored of Van Steenbergh. The husband was away at the time of her death.

When the judge called the jury into the courtroom at 4:30 p. m. yesterday, he was told by foreman Edward J. Petrus that it was "hopelessly deadlocked."

The jury had a choice of eight verdicts: Four of first degree murder, one of second degree murder, first and second degree manslaughter, and innocent.

Primaries Show Weakness Of Democrats, Hall Feels

Washington, June 7 (AP)—Republican National Chairman Leonard W. Hall said today the now concluded presidential primaries showed the "internal weaknesses, the inconsistencies, the bickering and squabbles that beset the Democratic party."

He said no Republican "need say any more" about Adlai Stevenson, front runner in delegate strength for the Democratic presidential nomination, than has already been said "by his own colleague," Sen. Estes Kefauver.

Hall's remarks, prepared for a National Press Club luncheon, obviously referred to the Tennessee senator's attacks on Stevenson's stands on segregation, old age pensions, and monopoly, and Kefauver's contention that Stevenson could not win in November if nominated.

Hall said that while there was no real contest in the Republican primaries, the results were nevertheless "highly gratifying to us because millions of voters voluntarily turned out to express their approval of the Eisenhower Republican administration."

He added the primaries had these two other "important" results:

"1. The so-called farm revolt against the administration failed to materialize and President Eisenhower ran exceptionally well in the rural areas of Wisconsin, Illinois, Pennsylvania, Indiana, Nebraska and other states.

"2. The President ran much stronger than we expected in cities and industrial areas which gives us further evidence of the way labor is turning to the Republican party."

Hall said the Democratic primaries revealed "an apathetic indifference to the principal con-

$211,000 in Diamonds Are Snatched by Three Gunmen

New York, June 7 (AP)—Three identically costumed gunmen snatched two gem brokerage firm employees off a Greenwich village street yesterday and fled with $211,000 worth of cut and uncut diamonds.

About 4:30 p. m., Albert C. Schmitt, 32, and Eugene Epsky, 27, were accosted by the bandit trio—each wearing dark goggles, white gloves, peaked hats and denim work clothes similar to those worn by subway motormen. They carried German Luger revolvers.

Schmitt and Epsky were hustled into the service entrance and then the cellar of an apartment building at 10 Downing St.

The bandits knew Schmitt, secretary of the Traders Service Corp., was carrying a gun, a .38 caliber revolver.

One gunman warned Schmitt: "Don't put your hand in your right pocket. We know you have a gun there."

Schmitt and Epsky were bound with adhesive tape and their own belts. Adhesive also was used to tape their mouths.

The wallets of the two victims were confiscated and the contents strewn about the floor.

Before leaving with two briefcases, containing five packets of cut diamonds and four of uncut ones, one of the bandits told another: "Frank, get the car ready. We won't be a minute."

The bandits also took along Schmitt's revolver.

After the gunmen fled, Schmitt managed to paritally free himself, and his cries brought the building superintendent, George Cook, who called police.

Schmitt and Epsky, an office worker with Traders Service, told police they started along Varick street after having the diamonds evaluated at an appraising firm. They were looking for a taxi to take them uptown as they turned into nearby Downing street, when the gunmen suddenly appeared.

Schmitt said the diamonds were to be delivered to five midtown Manhattan firms. Police said the gems were insured.

The victims found it hard to describe their assailants, their faces being mostly obscured by the goggles and peaked hats.

Schmitt resides at (Lakeside Trail, East) Fayson Lakes, N. J., Epsky in (263-26 73rd avenue) Glen Oaks, Queens.

Better Roads Are Stressed For Safer Driving in State

New York, June 7 (AP)—Michael H. Prendergast, director of the New York State Division of Safety, today called for "stepped-up enforcement of traffic laws, improved engineering for safer highways and expanded education of the man behind the wheel."

He noted the nation's high auto death and accident toll in a speech prepared for the 53rd annual convention of the New York State Automobile Assn.

Prendergast, who is Democratic state chairman, reviewed the efforts of Gov. Averell Harriman's administration toward traffic safety and construction of better and safer highways.

In New York state, Prendergast said, more than half the mileage of the state road system "is in less than tolerable condition according to the last official survey of the Highway Finance Planning Commission."

"Yet one of the causes of accidents continues to be unsafe and outdated highways," he added.

Prendergast recalled that in a referendum last fall New York state voters turned down a proposed 750-million-dollar issue for highway construction and its financing.

One of the main contentions of opponents of the bond issue was that the wording of the pro-

Longshoreman Caught After Chase in Which Car Kills Man

New York, June 7 (AP)—A 21-year-old longshoreman was captured today after a wild-bullet-punctuated auto chase in West Side Manhattan. The pursued car killed a pedestrian and nearly ran down a patrolman.

Patrolman William Conifrey was on duty at 37th St. and 8th Ave. shortly before 4 a. m. when he saw a northbound auto passing traffic lights. There were two men in the car. Stepping out to the roadway to halt the car, Conifrey had to leap back to escape being run down.

Hailing a cab, the patrolman gave chase to the fleeing vehicle. At 46th St. and 8th Ave. the speeding private car struck a man, tossing him up over the hood.

Later, the victim was identified as Andrew Chatigny, 55, of Manhattan.

The chase went north on 8th Ave. to Columbus Circle, up Central Park West to 61st St., west to Amsterdam Ave., north to 92nd St., west to Broadway and north to 96th St. At 96th St. the car struck a taxicab, mounted the curb and crashed through a plate glass window of a First National City Bank branch.

During the chase, Conifrey had picked up another patrol-

S. Civil Service examiners throughout New Jersey and New York. Entrance salaries of $4,480 and $5,335 a year are at the highest level for beginning scientists. Applications will be accepted until further notice. The announcement booklet contains information concerning many of the research and development programs conducted by federal agencies in New Jersey and New York, as well as full information on how to apply for these positions. The announcement or information as to how it may be obtained is available at all first- and second-class post offices (except Manhattan and the Bronx in New York city. It also may be secured from the director, Second Region, United States Civil Service Commision, Federal Building, Christopher street, New York 14, N. Y.

Confident Holdup

Atlanta, Ga. (AP) — Randall Bertram, 22, told police he was using a telephone in a sidewalk booth when a man in a slouch hat knocked on the door. When Bertram opened it, the man drew a pistol and took Bertram's watch and $3.85 in cash. As he turned to leave, he handed a dime back to his victim and said: "Now get back in there and call the police." Bertram did — but not fast enough to catch the thief.

Schools Slow Inventions

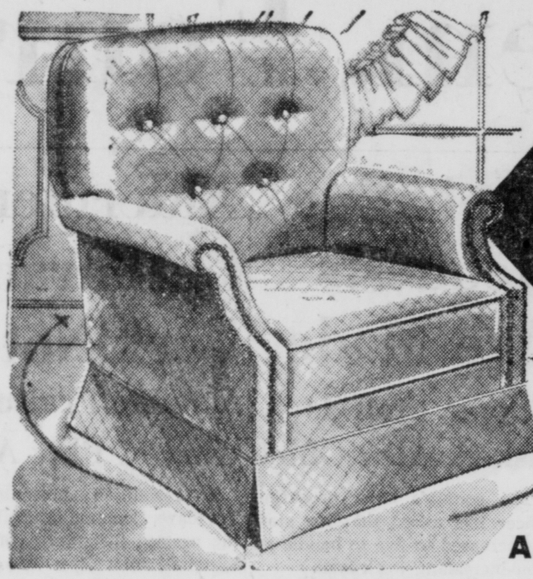

Detroit (AP)—The more education a man gets the less likely he is to become an inventor, says Charles F. Kettering, a famous inventor and a General Motors Corp. director. "The educated man fears failure while the inventor uses his failures as pot-shots," Kettering said.

Before the days of autos runaway horses used to make headlines, according to the Kingston Weekly Freeman and Journal of Thursday, August 31, 1899 one item reads: "The horses attached to Joseph Hartman's Whiteport stage became frightened while going along Abeel street on Tuesday afternoon and started to run away. The horses came down the dock and started to run through West Strand. Near the Mansion House the stage collided with a rig standing along the sidewalk and the horses were brought to a sudden stop. Before they could resume their flight they had been caught by heroic bystanders. Both rigs were considerably damaged and the stage did not leave Rondout on its return trip until after 6 o'clock last night." the item concluded.

About all we see of the Hudson River now is the glimpse we get when we are driving and see it throught the trees, unless some of us like to go fishing along its banks. Years ago, a full day's outing was the thing on the Hudson river. The above newspaper tells about a Hudson river excursion to Albany which was to take place in September of 1899. "The Grand Republic steamer, which had been chartered for the annual excursion to Albany, for Tuesday, September 12, is the largest excursion steamer in the world. It has occupied a prominent place in every naval parade in New York harbor and along the Hudson, and will be a conspicuous figure in the naval parade which will be given when Admiral Dewey comes home. It is capable of carrying an immense throng and it will take many Kingstonians to Albany.

A band will accompany the excursionists and refreshments will be served on board. There will also be dancing, music being furnished by an orchestra. The trip will be a most delightful one from the time the boat leaves the dock until it returns. The tickets for the delightful round trip will be 50 cents." That sounds most reasonable for a boat ride of some 120 miles, I wonder how far 50 cents will take the average small crusier that dashes down the Rondout creek and out the river with just several people. How times have changed.

* * *

People were not the only ones who enjoyed the Hudson river steamers. In this same issue the following item appears: "A week ago Sunday night, the steamer, City of Hudson stopped at Catskill on her way to New York to take aboard a flock of sheep belonging to L. W. Mower of Leeds. There were some 154 sheep in the flock and they were shipped to 60th street, New York city. Not finding a market at his figure, Mr. Mower had the drove reshipped and the sheep are now happily back on his farm again at Leeds."

A cow also took the front page in a trial before Justice John Carpenter of the town of Ulster, but was adjourned, so cannot give you the ending of the story. It seems a lady who had a nice vegetable garden claimed her neighbor's cow jumped over a fence into her yard and destroyed a large patch of garden produce. "On the trial of the case it is expected that the cow which it is claimed caused the damage will be introduced in evidence." A trial like that should have brought the farmers out.

Power of a Woman

Henderson, Ky. (AP) — Patrolmen Paul Hawkins and Elmer Grossman retreated to the safety of their prowl car when the 175-pound St. Bernard dog crept toward them menacingly. Then the power of a woman asserted itself. Mrs. William Koonce, who had called police to pick up the stray dog, patted the pooch on the head, led him to the car and sat beside him on the rear seat. Then it was off to jail, where the dog was placed in a cell for safekeeping.

MUSIC FESTIVAL

The Village of Ellenville will mark both Independence Day and the opening of Empire State Music Festival with a colorful pageant to recreate picturesque Rip Van Winkle, his care-free cronies and the Dutch maids who cavorted over the hills and dales of the Catskills three centuries ago.

This is the second season of the Empire State Music Festival in the 2,000 seat tent theatre atop the Shawangunk Mountain range. The music fete will feature the world famous Symphony of the Air of which Arturo Toscanini is conductor emeritus.

Local music lovers should take advantage of this great opportunity to participate in the Festival's most ambitious program. Leopold Stokowski, Igor Markevitch and Heitor Villa-Lobos are among the noted conductors who will direct the symphony. Presentations will include the American premiere of German composer Carl Orff's new score for a full stage production of "A Midsummer Night's Dream," which Basil Langton will stage and the opera "Carmen." There also will be the world premiere of a ballet based on Eugene O'Neill's "Emperor Jones." Jose Limon will choreograph the ballet and appear in it with his company.

Interest in the music festival is widespread and will bring to Ellenville music lovers from all over the country. The music center will attract a population new to the Catskills this season.

Both the Independence Day celebration and the opening of the Empire State Music Festival are noteworthy events, which deserve wholehearted support from area residents.

TOWARD A BETTER WORLD

The Eisenhower administration is sometimes assailed at home and abroad for dwelling too heavily on the military aspect of our relations with our foreign friends. But the President reveals clearly that his thinking is far broader than this.

The truth is that Congress must bear a good deal of the responsibility for the fact that so much of foreign aid today bears a military stamp. The lawmakers' resistance to purely economic assistance has mounted with the years. It has been necessary to camouflage this kind of help under a military cloak.

In his recent Baylor University speech in Texas, Mr. Eisenhower made proposals that call for strong emphasis on the political and economic aspirations of free peoples abroad.

He wants to see the trade barriers between these peoples go down, and to see all the stronger nations — not just the United States—aid to the weaker.

In the political field he would press for renewed effort to gain union of the Western European countries. And in education he favors American initiative in promoting science education centers in various free lands about the globe.

All this cooperative effort he would espouse for the general betterment of free men, without attaching political or military strings.

He would have us show full respect for the cultural traditions of other nations, and broad tolerance for individual countries or blocs which choose to live by political and economic practices and philosophies which differ from our own. All he would ask is that they be free.

This is language that ought to read well in London and Paris as well as such distant Asiatic capitals as New Delhi, India, and Jakarta, Indonesia. The President is not proposing a limited form of assistance coupled with a demand that the recipients link their military fortunes tightly with the West's.

Instead he is exhibiting—and suggesting that others show—the kind of spirit that can draw all men together in the enterprises of peace, whatever their customs and traditions and philosophic leanings.

As a system for achieving human betterment he sees communism as a "gigantic failure." As a means of conquering the globe in the name of tyranny, it can be just as dismal a failure if free nations the world over will only band together for the goals Mr. Eisenhower has envisioned.

THE BIG RACKET

It is impossible even to approximate the cost to this nation of the Prohibition experiment in social or economic terms. But one of the side effects is coming to the surface now and is about to be investigated by a Senate committee.

During Prohibition, the drinking habits of the American people became more general and widespread but no potable alcohol was legitimate except for sacramental or medicinal purposes. Liquor of all sorts, from fine wines to raw alcohol, was imported into the country and sold surreptitiously. The trade fell into the hands of bootleggers who were supplied by racketeers who were, in turn, supplied by theoretically legitimate distillers and vintners in Canada, Scotland, France, etc. Billions of dollars went into this trade.

The dollars had to be deposited in banks because there were too many dollars to keep in shoe boxes under a bed. As long as these dollars could evade being taxed, they could be owned anonymously. But in the United States, the anonymous ownership of cash money is dangerous, so it was found advisable to find ways and means to transport these untaxed dollars abroad, to legisimatize them, to establish Swiss, Liechtenstein, Tangier, Monacan, Panamanian and other sorts of corporations to make it possible to reinvest these funds in American industry. The best type of operation is a Liechtenstein corporation that keeps its money in a Swiss bank.

Prohibition laid the basis for this type of operation. Later came other enormous reservoirs of money. The dope traffic, for instance, has been important in international commerce for more than a century, was at one time wholly legitimate and huge fortunes have been established in it. When the shipment of opium from India and Persia to China, for many years the principal consumer's market, became illegal by international agreement, the business grew larger, fell into vicious hands, and developed into the morphium, cocaine and heroin trade. The principal manufacturer is Red China; the leading consumer's market is the United States.

Again the money is big—billions of dollars. It has to find its way, through many hands, from the consumer to the manufacturer. It has to be transported in the form of cash dollars, secretly; it must evade taxation; it must be banked and converted into legitimate money. This is a very complicated traffic and the returns are enormous.

Another source of secret money is the Nazi holdings — Hitler's, Goering's, Goebbels' money. We do not even have estimates of the amounts, where this money was deposited, how it was banked and legitimatized. There has been an inkling of Peron's secret money but not enough data to justify an opinion as to amount or where it is invested.

It is, however, becoming increasingly clear that when secret, untaxed money is made legitimate, particularly by the device of an anonymous Swiss bank account, often carried by a number instead of in the name of a person, and doing business under the guise of an anonymous corporation that can be organized in a number of countries, it returns to the United States either to purchase American businesses, to manipulate the market in securities or it operates cartels for retail goods in competition with American firms under advantageous reciprocal treaties. Everything is corrupted by this gimmick money which remains untaxed.

It is not possible for such money to function as brazenly in Great Britain because of the tight control of the Bank of England and the Treasury over the pound sterling and foreign currencies, but such money can be invested in British Crown colonies and in Dominions and can work its way into British enterprises indirectly through Empire Preference. However, it is more difficult in that country than in the United States where this untaxed money is now coming back to buy up American industries, often munition industries, without any particular government agency having the right under any law to check on the enterprises. Sometimes the management of such money is in the hands of aliens, although who the actual owners of the money are is never disclosed. The Swiss banking law forbids such disclosure.

What is essential is a full-dress Congressional investigation with the object of having a law passed protecting the United States from this untaxed money now pouring into this country and with which honest, tax-paying Americans cannot compete.

PHYSICAL MEDICINE IN RHEUMATOID ARTHRITIS

Yesterday we were speaking in a general way of the benefits which can be gained from various physical (nonmedical) measures in the treatment of rheumatoid arthritis plus the use of simple pain-relieving drugs such as Aspirin and Bufferin. Today we will have a look at some of these measures. From the treatment, there are five classes of physical measures and agents that can be used singly or in conjunction with one another: (1) heat, (2) massage, (3) exercise, (4) occupational therapy, and (5) assistive and supportive devices (such as braces and splints).

Heat may serve as a pain reliever and as an agent against spasms in the muscles affected. It increases the rate of circulation. Radiation from an infrared lamp is a suitable means of applying heat to single joints; an infrared baker may be used for larger areas. Warm tub baths or hot moist packs are effective in heating regions of the trunk as well as the joints of the extremities. Contrast baths (hot and then cold, alternating) give considerable benefit to patients whose hands or feet are afflicted.

Massage, properly applied, can be either stimulating or quieting in its effect on sensory nerve endings. It is used mostly for its sedative and relaxing effects and it frequently should be given before exercises to increase range of motion. A quieting type of massage also is used frequently after the application of heat. Direct massage over the joint is to be avoided. The intensity of the stroking and kneading will depend on the endurance of the patient. Massage should be light when the joints are acutely inflamed but can be more forceful as the inflammation dies down. A physical therapist can teach some member of the patient's family to give certain types of massage. One should bear in mind, however, that massage is a time-consuming procedure that should be used only when one of its special effects is desired and not just as a general procedure.

Exercise can produce many different effects. The types of exercises used in physical therapy are usually designed to maintain or increase the strength, endurance and coordination of muscles. Exercises to maintain or increase the range of motion in the affected joints and increase the strength in the weakened muscles is the most important part of the physical therapy program. Active nonweight bearing exercises of joints by the patient should be encouraged as soon as a good degree of motion is possible. Purposeless wiggling of joints should be avoided. Instruction in posture and the proper way to walk may be necessary as the patient becomes able to walk. Special attention should be paid to the hands and wrists. One of the commonest deformities in rheumatoid arthritis is that of partial flexion (bending) of the fingers and a turning outward of all the fingers (away from the thumb). Proper positioning and special exercises to combat these deformities are of the utmost importance.

Space forbids dealing with occupational therapy, splints, supports and shoes, and home treatment and we will deal with these measures tomorrow.

Edson's Washington News Notebook

NEA Washington Correspondent

Washington—(NEA) — Presidential Assistant Fred Seaton will find a formidable array of problems stacked on the big desk of his huge, high-ceilinged office when he takes over as President Eisenhower's new Secretary of Interior.

But problems are what this 46-year-old trouble shooter seems to thrive on. He's a great little behind-the-scenes worker. As a temporarily appointed U. S. senator from Nebraska, he knows his way around Congress. He was Assistant Secretary of Defense for public relations when the Stevens-McCarthy row broke. He helped master-mind the strategy on that without once getting called before the investigating committee himself.

It was no mere coincidence that Seaton was picked to succeed Secretary Douglas McKay on the same day that President Eisenhower signed the farm bill. Seaton's principal chore the past five months has been trying to get an acceptable farm bill through Congress. He gets rid of that headache only to take on 10 others.

WITH ONLY a couple months left in the present session of Congress, there is small chance that many of Interior's worries will be solved this year. But Seaton can count these priority problems on his fingers:

1. Growing demand for electric power in Northwest. Four million kilowatts additional capacity will be needed by 1961 and six million by 1965. It will require a four-billion-dollar investment in the next 10 years. Administration policy, which Seaton says he will follow, is to meet this requirement by a combination of federal, state and local private investment in a partnership.

2. Long-range coordinated water resources program. President Eisenhower's Cabinet Advisory Committee on Water Policy turned in a limited report earlier this year. The man who directed the work on it and who knows most about it is Undersecretary of Interior Clarence A. Davis. If he stays on, he can see the report through Congress, where it is now stymied. The subject is considered too controversial to take up in an election year.

3. **LONG-RANGE** mineral program. Research by Bureau of Mines is proposed on recovery of low-grade ores and discovery of substitutes for scarce metals to supply growing industry.

4. Long-range soil and moisture conservation program for all lands owned or administered by Department of Interior. A 20-year program is now under way in Bureau of Land Management.

5. Continuation of western reclamation program. The upper Colorado project approved by Congress this year must be carried forward. Congressional approval must be obtained on Frying Pan-Arkansas and other projects.

6. Tidelands. The question of federal ownership of outer continental shelf for oil and mineral leasing must be resolved, particularly as it affects Louisiana.

7. Termination of federal responsibilities for Indian affairs, after full consultation with the Indians themselves. They must be assisted in assuming their rightful place in American life, after child and adult education, followed by proper relocation assistance. New legislation is required.

8. **NATIONAL PARKS** improvement. A 10-year, 124-million-dollar program known as "Mission 66" has already been planned to accommodate the growing number of people visiting the parks each season. But the program needs implementing.

9. Expanded wild-life refuge program. An important side issue is protection of wild-life areas from transfer to military or other uses, as in the recent Wichita case.

10. Budget. House has approved a 277-million-dollar Department of Interior appropriation for next year. Senate has raised it to 285. Compromises are now being worked out in conference. But there is assurance that Interior will have more money to operate on next year than the 243 million appropriated for this year. These figures do not include appropriations for reclamation and public power development, which are still under consideration by Public Works committees.

Eisenhower Is Criticized For Theory of Neutralism

By DAVID LAWRENCE

Washington, June 7 — President Eisenhower doesn't often make mistakes with his impromptu remarks at press conferences, but when he does, it usually has international repercussions. Mr. Eisenhower almost pulled the rug from under his whole foreign-aid program by letting it be implied that nations which stay "neutral" in the "cold war" against Communist imperialism can still get financial benefits from the United States.

THE PRESIDENT fell victim to the oft-repeated alibis of the "uncommitted" nations which argue that, since the United States stayed "neutral" during the first century or more of her existence, such a policy now is justified for them. This inaccurate statement of American history has been repeated often by various spokesmen for and champions of the "neutralist" cause in Asia, but it is surprising to see the President accept it and give it to his press conference as a valid argument.

Mr. Eisenhower's exact words were these:

"If you are waging peace, you can't be too particular sometimes about the special attitudes that different countries take. We were a young country once, and our whole policy for the first hundred years was — or more, 150—we were neutral. We constantly asserted we were neutral in the wars of the world and wars in Europe and antagonisms."

But what are the facts? In 1801, the United States declared war on Tripoli, which had interfered with American shipping in the Mediterranean. "Millions for defense, not a cent for tribute" was the battle cry.

The American republic was less than twenty-five years old when it entered a world war, known on this side of the Atlantic as the War of 1812. The United States entered that war on the side of the French, who were fighting Britain. The main causes were the impressment of American seamen on the high seas by the British, blockade of American ports by the British, and violation of United States neutral rights on the high seas.

IN 1821, when the Russian Czar issued his famous order extending Russian claims in the Pacific and closing the Bering Strait to commercial shipping of other nations, the young American republic by diplomatic note, publicly challenged the action.

In 1823, the United States served notice in what became known as the Monroe Doctrine that the American continents were no longer to be considered as subjects for future colonization by European powers and that this country would consider dangerous to its peace and safety any attempt on the part of the European powers to extend their system to this hemisphere. This was a participation in world affairs which, coming from the young republic, was bold and defiant.

During the American war between the states, President Lincoln did not hesitate to send a stern warning to Great Britain, which had recognized the belligerency of the Confederacy as British ships sought to run the blockade of the Union Navy.

In 1895, President Cleveland served notice on Great Britain that, if it interfered in a boundary dispute in Venezuela, it "will be the duty of the United States to resist by every means in its power, as a wilful aggression upon its rights and interests, the appropriation by Great Britain of any lands or the exercise of any governmental jurisdiction over any territory which after investigation we have determined of right belongs to Venezuela."

In 1898, the United States intervened in a war to save Cuba from Spanish oppression.

In 1900, the United States joined with five European powers and landed American Marines on the mainland of China to do battle against the Boxer rebels who had besieged the foreign legations in Peking.

In 1917, the United States intervened in World War 1 to protect neutral rights on the high seas, and, in 1941, the United States again intervened in a world war to protect her territories against attack.

THE UNITED STATES did not stand aloof at any time in its early or late history when there was aggression against its rights. The help of allies was sought not only in the Revolution but in the War of 1812.

What the United States has tried to do in southeast Asia by its pact there and in the treaties with Korea and Nationalist China and the Philippines is to arrange for common measures to resist aggression. The SEATO pact and the NATO treaty are really extensions of the Monroe Doctrine principle.

Mr. Eisenhower's words also will plague him with respect to West Germany. The Soviet regime wants Germany to be "neutralized." Mr. Eisenhower speaks of the dangers that countries face which have "military associations" because they may have difficulties along their borders. Certainly the President didn't mean to give the impression that he favored neutrality for West Germany and a withdrawal from NATO, yet that's what his remarks can readily be construed to mean. His closing words—uttered with reference to Yugoslavia—were somewhat inconsistent with his other statements but they better express the American point of view. He said:

"The reason we help and assist others is in the belief that this will help us, also."

That's the only basis on which a foreign-aid program will be voted—and "neutrals" will have a hard time getting any American taxpayers' money out of Congress.

AS PEGLER SEES IT

By WESTBROOK PEGLER

New York, June 6—The overseas political activity of David Dubinsky's private state department directed from New York by a mysterious individual known as Jay Lovestone amounts to an imperial adventure by the president-dictator of an American union of needleworkers. It is now involved in the Algerian trouble. Dubinsky has no mandate from the American people in this dangerous exploit. The agent in charge of this apparatus devoted to spying and political mischief in many foreign nations also is a stranger to the American people. He is known as Irving Brown.

The background of both Lovestone and Brown is concealed in mystery beyond the acknowledged fact that both were for some years noisy Bolsheviki giving loyalty to Soviet Russia and clamoring for bloody rovolution in our streets. Their advocates, including rich and reckless American manipulators of information and public sentiment, insist that Lovestone and Brown at some unspecified time abandoned communism in unspecified language. Brown has twice flatly refused to discuss with me the details of this renunciation. He thus justifies a conclusion that he cannot prove his alleged apostasy. Lovestone is similarly bashful. Both are strangers to practically all of the American people including the needleworkers in the tight little island of New York which is to Dubinsky's empire as England formerly was to the British empire.

The Christian Science Monitor, which is strangely courteous to these adventurers, carried on May 23 a Reuter's dispatch from Paris in which Brown was quoted to the effect that he had never engaged in any activity detrimental to France. But Robert Lacoste, the French resident governor of Algeria, said, according to Reuter's that Brown was "conducting an adventurous action under the pretext of free trade unionism with doubtful personages in the greatest contempt for the lawful and unchallengeable position of France in Algeria and North Africa." Reuter's said Brown explained that he merely went to North Africa with a delegation of the International Confederation of Free Trade Unions "to see if we could agree to let the newly formed unions there into the ICFTU." Actually, Lovestone, Brown and Dubinsky are the ICFTU. It is the framework of Dubinsky's empire.

Notwithstanding his denial, Brown bobbed up in New York last Saturday and made a speech to a group of unionists in which he declared France was preserving "certain old vestiges of former colonialism" in Algeria. He laid it down flatly that "the clock of history must not be held back" in Algeria. He said the French government in Algeria was promoting "a new and expanding Soviet colonialism," and he indorsed the rebel war against the French government as an expression of the French tradition of liberal thought.

The New York Times said Brown argued that "directing the nationalist movements in North Africa into channels of democracy would bring about the destruction of totalitarian forces in the Arab world" and would unify the Arab countries and Israel.

Here Brown, Lovestone and Dubinsky find themselves on the side of "nationalism" for Algerian Arabs although they all disparage "narrow nationalism" by patriotic Americans. Indeed some adherents of their contradictory policies have repudiated nationality as a menace to the peace of the world. Meanwhile, however, they themselves adhere to a revolutionary army in Algeria whose terrible war has cost thousands of lives and billions of dollars which must be raised by a nation already hopelessly insolvent and dependent on the taxes of American citizens.

American airplane bases in Algeria are in danger of armed attack and bases in Morocco have lost their legal right to exist and our forces may be ordered out any day. These are frankly weapons trained on Soviet Russia and vital to the national defense of the United States. Yet Brown and his colleagues are harassing the French government which authorized us to establish them and, alone, gives us assurance of continuing tenure. It is hard to conceive how our loss of those bases would harm the interests of Moscow which Brown, Lovestone and Dubinsky purport to detest and oppose.

These tangled details are superficial by contrast with the basic impudence of this unofficial political machine whose enormous budget is financed from undisclosed sources in committing political sabotage against a friendly nation whose hostility might result in a war between the United States and France.

It should be added that the AFL-CIO are in some vague way backing Dubinsky and company and that the Central Intelligence Agency of the State Department, itself mysterious, mischievous, amateurish and arrogant, is in some vague way backing all of them.

Lovestone, Dubinsky, Brown, the garment workers' union, and the AFL-CIO have absolutely no authority from or responsibility to the people of the United States who would have to wage the war.

JACOBY ON BRIDGE

Careful Count Beats Guesses

BY OSWALD JACOBY
Written for NEA Service

The bidding of today's hand was short and to the point. South's opening bid of one no-trump showed 16 to 18 points. North added his own 18 points and knew that the combined total was 34 to 36 points. North knew that he needed about 33 points for a grand slam, all of which made it obvious that six no-trump was the best final contract.

West opened the deuce of clubs, and South won with the ten. Declarer led a diamond to dummy's ace and returned a low diamond, losing the jack to West's queen. West returned the ten of diamonds to force out dummy's king, and East discarded a low club.

South now needed four heart tricks to make the contract. Should he play the three top cards to drop the jack, or should he risk a finesse?

Since there was no need to make a decision at once, South cashed the top clubs and top spades before touching the hearts. East had to discard a spade on the third round of clubs, after which both defenders followed suit to all of the spades.

Before beginning with the hearts, South stopped to count. West had started with exactly four clubs, exactly four diamonds, and exactly three spades. There was room for only two hearts in the West hand.

For this reason, South took dummy's king and queen of hearts and followed by finessing the ten of hearts. The ace of hearts took the last trick, and South scored his vulnerable slam. Careful counting had eliminated all guesswork.

Michigan's Atolls

East Lansing, Mich. (AP)—Northern Michigan, hardly noted for the sun-warmed waters that produce coral reefs, still has an extensive supply of coral left over from the Silurian Period 300 to 400 million years ago. Geologists speculate the coral formed when warm waters of the Gulf Stream flowed through Michigan and surrounding areas. Vacationers can pick up handsfull of coral around De Tour and Alpena. The coral formations also have a practical interest. Some of the world's best producing oil wells are drilled in old coral formations.

Barkley Supplement

Lexington, Va. (AP)—Washington and Lee University's 1956 yearbook, "The Calyx," contains a special section, a four-page slick paper supplement including photographs of the school's tragic Mock Convention where keynote speaker Sen. Alben W. Barkley died.

First room air conditioner was sold in 1929.

Synagogue News

Temple Emanuel Services will be held Friday, June 8, at Temple Emanuel, at 7:45 p. m. Rabbi Herbert I. Bloom will preach on the theme "Summer and Winter Religion." Music will be under the direction of Cantor Julian Lohre and the public, as always, is cordially invited to attend services. An Oneg Shabbath, tendered by Mrs. Sidney Wolff, will be held after services. The final meeting of the Sisterhood of Temple Emanuel will be held Wednesday, June 13. There will be a luncheon and installation of new officers. Members are requested to bring an unaffiliated guest. Temple Emanuel's annual outing will be held June 17 at Camp Turkey Point. This affair will feature a full course meal and planned entertainment for the entire family. A congregational meeting will also be called at this time.

Stiffer Laws Called For to Cut Accidents

Syracuse, N. Y., June 7 (AP)—A newspaper executive says the automobile industry is advocating speed but not doing enough about safety in cars.

Alexander F. Jones, executive editor of the Syracuse Herald-Journal, also told a conference on highway safety and traffic court problems that stiffer traffic laws are needed to improve highway safety.

The conference yesterday was sponsored by the New York State Bar Assn., the Syracuse University Law College, the American Bar Assn. and the Traffic Institute of Northwestern University.

Cloyd LaPorte, president of the New York Bar Association, urged more efficient operation of traffic courts where "most citizens receive their only impression of courts and justice."

Jones urged the lawyers groups to appoint a committee to suggest legislation that would "strike fear" into traffic law violators.

Wicks Firemen Will Hold Meeting Tonight

An important meeting of the A. H. Wicks Engine and Truck Company, Inc., will be held tonight at 8 o'clock at the fire station, 17 Wiltwyck avenue.

A full attendance of members is requested as important matters will be discussed, including plans for attendance at the Hudson Valley Firemen's Association convention.

Up and Down

Yorkton, Sask. (AP) — Anton Wachesyn, 24, went up a tree fast when chased by a brown bear. The bear went up after him and clawed his legs. Wachesyn came down fast, grabbed a hatchet and chased the animal away.

Walt Disney's True Life Adventures

Gardiner

Gardiner, June 6—The annual Children's Day service will be held at the Reformed Church Sunday at 10 a. m. No Sunday school at 9 a. m. but all children are asked to be present at 9:30 a. m. This year marks the 100th anniversary of Children's Day. Flowers should be left at the church by 12 noon Saturday, June 9.

The annual food sale sponsored by the Sunday school will be held at 3 p. m. on the lawn of Miss Edna Dugan. The Dutch Circle will meet Monday evening, June 11 at the home of Mrs. Richard Fall at 8 o'clock. No meetings of the Circle in July and August. Last Sunday's flowers were in memory of Gilbert Berier, Sr. and Gilbert Berier, Jr. and were given by the Berier family.

Carol Ann, daughter of Mr. and Mrs. Donald Decker and Rosanna, daughter, of S/Sgt. Myron Wells were baptized Sunday morning.

Mr. and Mrs. Floyd McKinstry and Mrs. Bertha Wiese attended the dinner meeting of the Rural Mail Carriers Association at Accord last Saturday evening.

Miss Margaret Clinton of New York city spent the weekend at her home here. Miss Barbara Clinton and Miss Loretta Nilan were her guests.

S/Sgt. and Mrs. Myron Wells and children of Washington, D. C., are visiting his parents, Mr. and Mrs. Myron Wells.

Mr. and Mrs. Ernest Wagner of Chatham, N. J., were Memorial Day guests of their cousin, Miss Edna Dugan.

The Misses Nellie and Belle Edwards of Montour Falls visited friends here Saturday.

Mr. and Mrs. Merritt Buttles and children of Walden and Mr. and Mrs. Oliver Dunbar of Kingston were Sunday guests of Mrs. Etta Buttles and Mr. and Mrs. Isaac Williamson last Sunday.

Lowell Kern has returned home to New York city after spending last week with L. Maysted.

Fare Increase Granted

Albany, N. Y., June 7 (AP)—The Public Service Commission today authorized Western New York Motor Lines Inc. to increase its bus fares by a cent a ride. The bus company operates between Rochester and Buffalo via Batavia. Most of its patrons are commuters. The company must give three days notice to the public before it raises its rates.

Think It Through

By E. F. HUTTON

When we are put on notice respecting the affairs of the nation, we should stop and think who says what, and why.

Let's take a good, long slant at the NOTICE, which, as the saying goes, comes from the horse's mouth.

Mr. Hutton

"WASHINGTON REPORT," published by the U. S. Chamber of Commerce, has stated in a headline the issue of so-called "Federal Aid for Schools."

"Federal aid for school construction means State assistance to Uncle Sam, so he can assist the States." So, howdy-doody to that one!

Now, no one should let himself be confused by this high-flown—"mumbo-jumbo"—double-talk of the Pork Barrelocracy.

The bureaucratic Federal aid outfits, who get jobs for themselves from the taxes of Mary and Joe Doaks, are shooting high on this one. But there will be more money for schools in the States if the money is left in the States.

These bureaucrats would tax the States to finance the deal by sending their "do-re-me" to Washington. They, in turn, would figure how much political brokerage they would collect, and return the balance to the States.

And, because the man who pays the piper calls the tune, the next thing will be the selection of the textbooks by the same sort of Double Domes who run the "Fund for the Republic."

The money goes to Washington, and only a small part is returned to the States.

Neighbor, send this message to your Congressman!

SAUGERTIES NEWS

C of C Offers Aid To Resort Owners

Saugerties, June 6—In an effort to formulate a definite policy in regard to handling inquiries from prospective summer and winter vacationists, the Saugerties Area Chamber of Commerce has sent out form letters to all boarding house, cabin operators and those catering to the vacationists in the Saugerties area outlining a plan which will help increase the Saugerties area summer and winter vacation business.

The letter sent out this week outlines the problems of getting the cooperation from all those who receive direct benefits from the vacation business.

The Chamber of Commerce office as a clearing house for all mail inquiries receives hundreds of letters requesting information regarding the facilities Saugerties area has for prospective vacationists.

Due to the lack of interest the proposed publication of a new vacation folder for the area was not undertaken by the Chamber. Consequently the Chamber office is unable to send out mailings and these requests of vacationists actually wanting to come here to spend their money are left unanswered.

To solve this problem the Chamber has offered to handle the mailing of folders, business cards or other promotional material for any resort or cabin owners who are willing to support such a program by becoming members of the organization.

The first mailings in this plan will be made next week. All resort or cabin owners who have indicated that they are willing to cooperate and have forwarded mailing pieces to Tom Reynolds Photo Studio, Partition street will be included in the first mailings to go out June 13.

Mt. Marion School Will Accommodate Up to 300 Pupils

Saugerties, June 6—This is the seventh in a series of articles being prepared by the publicity committee of the Saugerties Central School District building program. This article will describe the proposed Mt. Marion Elementary School.

The Mt. Marion School is being planned as one of the area schools in the long range planning program for the school district. This school will accommodate pupils not only from Mt. Marion but also from the surrounding area. Probably pupils from High Woods, Pine Grove, Veteran, Daisy, and Mt. Marion will attend there. Having pupils this new school will help relieve congestion in the Main Street School, Saugerties. The opening of this school should make it possible for the district to accommodate all of its own pupils instead of having to pay tuition for some students to attend school elsewhere.

The Mt. Marion School will be a one-story brick building constructed on the property presently owned by Bert Law which is situated on the Glasco Turnpike, north of the Mt. Marion Park development.

This 10-classroom elementary school will house 300 students from grades kindergarten through six. It will contain a combination auditorium, gymnasium and cafeteria with kitchen facilities. The kindergarten room will have an exit to a separate play area. There will be a health room and room for special services such as art, music and administration.

Parking facilities will be available for teachers and for public gatherings.

This building has been soundly and economically planned. The estimated cost of its construction is $564,000.

A large water color sketch showing the exterior of the school will be put on display as soon as it has been made available by the architects.

Award for Health Work

Lake Placid, N. Y., June 7 (AP)—A posthumous award has been made to Rochester's Dr. Albert Kaiser for his work against rheumatic fever and tonsilitis. The New York State Public Health Assn. named him the winner of its Herman M. Biggs Award for outstanding service in public health. Dr. Kaiser, who was city health officer in Rochester, died last year. His widow accepted the award yesterday at the annual association meeting. Miss E. Dorothy Gordon of Albany, consultant nurse with the State Health Department, was installed president of the association.

Would Ban Bowery

New York (AP)—With the city's old Third avenue elevated gone, Manhattan's borough president Hulan Jack wants to get rid of the southernmost end of the thoroughfare— the Bowery. He says the name bears a "connotation of drunken derelicts and broken dreams." The suggested new name: Third Avenue South.

New Hurley

New Hurley, June 6—On Saturday afternoon the New Hurley Guild was entertained at the home of Margaret Dolan with Madelyn Dolan as the assistant hostess. The program for the afternoon was in charge of Margaret Denniston. The president, Ruth Dylewski, presided. Plans were made for the annual church fair which will be held at the church hall on the evening of July 21. Members of the Guild or any ladies desiring to come will meet at the parsonage on Monday afternoon July 18 to wash windows and clean to get it ready for the new minister and his wife who will arrive here about June 20. Refreshments was served by the hostess and assistant and a social time was enjoyed. Seventeen members were present at the meeting. The July meeting will be at the home of Mary Wilkin.

Donald Ely of Levittown, L. I., was the guest speaker in the New Hurley Church Sunday morning. Mr. Ely was a dinner guest of Mr. and Mrs. Crosby J. Wilkin.

Roller skating in the church hall will be discontinued for the summer months.

Sunday, June 10, Children's Day will be observed. The service will begin at 10:30 a. m. with Mrs. Richard Schoonmaker and Mrs. Charles Garrison in charge of the program. Music will be offered by the Junior choir under the direction of Mrs. Wallace Palen.

The Missionary Society will meet at the home of Mrs. Anna Powell on Thursday June 14 at 2:30 p. m. The leader will be Mrs. Elmer Fries.

Sunday, June 17, from 2 to 5 p. m. open house will be held at Kirkside in observance of the sixth anniversary of the dedication of this home for retired ministers. There will be a guided tour of the grounds, refreshments will be served, and a vesper service will be held at 3:30 p. m. Kirkside is at Roxbury.

Mr. and Mrs. H. Noordsy of South Dakota, and son Harvey Noordsy of New Brunswick, N. J. and Mr. and Mrs. L. Andemey of Della, Iowa were callers at the home of Mr. and Mrs. Laurence Dolan last week.

Mr. and Mrs. Roy Denniston drove to Ithaca on Thursday. Their son Roy who is attending Cornell University returned home with them for the summer vacation.

Mr. and Mrs. Myron Anderson and Myrtle Kelder were supper guests at the home of their uncle and aunt, Mr. and Mrs. Arthur Kelder, at Mettacahonts Tuesday.

Miss Bertha Sutton spent Memorial Day with Mrs. William Tears in Walden.

Visitors in this place on Friday were Mr. and Mrs. Arthur Elting, Lisa Olsen and Betty Vernol Vanelli of Stanford, Conn.

Zoo Research

Oklahoma City (AP)—It looked like monkey business to a friend when he found Oklahoma County Deputy Sheriff Jim Farris staring at the apes in their zoo cage. Farris had an explanation—he plays clown for the Shrine here and uses an ape costume. "I like to watch the apes to make my act realistic," he said.

Aldermen Asked For Support of Local Boys Club

Support of the Kingston Boys Club program was asked of the Common Council Tuesday night by Robert Curry, the club's director.

This year, he said, marks the 50th anniversary of the founding of the boys club movement in the nation, and he read several reports praising the work and functions of the club, and stressing the role it plays throught the country in curbing juvenile delinquency.

One report read, shows that the nation now has 450 boys clubs with more than 400,000 members. Stressed in the club's code, he said, is the fact that the boys must express belief in God, in the nation's Constitution and the Bill of Rights.

Among its supporting membership in the nation, he noted, were such prominent men as former President Herbert E. Hoover, and J. Edgar Hoover, head of the Federal Bureau of Investigation. It won notice and support in its earlier years from such figures as President Theodore Roosevelt, and today has the backing of other prominent figures, including noted judges throughout the country.

The club stresses friendship and fun under proper guidance and the members learn the principles of good citizenship. The movement promotes the social, educational and health development of young persons ranging in age from seven to 20 years.

The Kingston Boys Club, he said, has been "a struggling operation for many years, and he asked members of the council to go out and try to explain its purpose and functions.

Algerian Question Before UN Put Off

United Nations, N. Y., June 7 (AP)—The African-Asian bloc in the UN has postponed putting the Algerian question before the Security Council while efforts are made to get France to negotiate on the Nationalists' demands for independence.

A meeting of 19 of the African-Asian nations agreed to defer at least until Tuesday the signing of a letter asking the 11-nation council to discuss the 19-month-old fighting between the French and Arab Nationalists in Algeria.

The letter said continuance of the situation in Algeria might endanger international peace. Sir Senerat Gunewardene of Ceylon told reporters delaying its signing would give more time to "some governments who are exploring the possibility of negotiations" with France.

K of C to Honor Dr. John Larkin At Major Degree

Kingston Council No. 275, Knights of Columbus, will hold its major degree in honor of Dr. John F. Larkin, of 14 Pearl street, on Sunday, June 10.

Dr. Larkin, celebrating his 44th year as a Knight of Columbus, has been senior medical examiner of the local council for the past 30 years.

The major degree will be given to 60 candidates from Kingston and 50 more including Newburgh, Middletown, Highland Falls, Hudson, Catskill and Coxsackie. Members of all councils will be present for the ritual.

A dinner will be given Dr. Larkin at Cuneo's Restaurant after the ceremony. Grand Knights of the Hudson Councils and officers of the district and Kingston Council will be present.

Dr. Larkin is also secretary of the executive committee of the Benedictine Hospital board. He served during World War 1 as an officer in the medical corps and is a former city health officer and police surgeon. He is a director of the Rondout National Bank.

Thompson Good

St. Louis, June 7 (AP)—Third baseman Henry Thompson of the New York Giants "rested comfortably last night and his condition is good," a hospital spokesman said today. The 30-year-old ball player suffered a severe concussion when hit on the head in the fourth inning of the Giants' game with the St. Louis Cardinals. He is in Jewish Hospital here. The lefthanded hitting Negro veteran went down after a pitch by Tom Poholsky struck his plastic helmet above his right ear. The spokesman said he did not know when Thompson would be discharged, but indicated it might be later today.

See Sharett Going

Jerusalem, Israeli Sector, June 7 (AP)—Israeli newspapers predicted today that Foreign Minister Moshe Sharett, former premier and one of the founders of the Jewish state, is on his way out. The papers alleged a growing rift on foreign policy between Sharett and Prime Minister David Ben-Gurion, the senior statesmen who have been Isreal's only premiers. Well informed unofficial political circles forecast that if Sharett leaves the cabinet, Mrs. Golda Myerson, the present labor minister, is likely to succeed him as foreign minister.

May Quit Godfrey

New York, June 7 (AP)—Singer Frank Parker, one of the last veterans of the Arthur Godfrey shows, today was reported planning to quit the fold when his contract expires next month. Parker, it was said, could have remained without a contract but would have been subject to call for appearances on the radio-TV program on a non-regular basis. "With no promise of work for the future, Frank feels he will be better off severing all future ties," the New York Journal-American quoted an unnamed CBS source.

Four Jurors Accepted

Four jurors, all women, were accepted in County Court Wednesday to hear the robbery charge against Sanford Joel Meyers of Phillipsport who stands accused of robbing Mrs. Schoenbrun at the C & S bakery in Ellenville last November. Judge Louis G. Bruhn directed that an extra panel of 30 jurors be summoned to report next Tuesday. Court recessed until 10 a. m. Tuesday.

Truck Is Damaged

A truck of the Hudson Valley Frozen Food Co., Poughkeepsie, was damaged Wednesday when it struck the East Union street railroad bridge. Officers Benjamin Osterhoudt and Joseph Kivlan reported at 4:10 p. m., that the truck, driven by Thomas Barra, 39, of Newburgh, was headed east on the street. The vehicle was towed from the scene.

Suffers Back Injury

Hollywood, Jue 7 (AP)— Television actor and bandleader Desi Arnaz is being treated for a back injury he suffered while rehearsing a dance for a TV show with his wife, Lucille Ball, and comedian Bob Hope. A spokesman for Desilu Productions said Arnaz and Hope had a scene in which they were to throw Miss Ball into the air. Arnaz slipped and tore ligaments in his back.

Freed of Murder Charge

Fairfield, Texas, June 7 (AP)—A jury acquitted Jimmy Barker of a murder charge last night after the 21-year-old Negro stunned the courtroom with testimony the victim's widow offered him $100 to say he did it.

Board of . . .

place all of these pupils in the same classroom.

THE BOARD has already accepted pupils for next year from four other schools—Hurley No. 3, East Kingston (sixth grade) and two Sawkill districts.

Ten new teachers have been appointed by the board.

Fred A. Draeseke, secondary math, $5,250; Frederick J. Staley, secondary English, $4,500; Ralph Anselm, industrial arts, $4,150; Mrs. Violet Coulton, art, $4,300; Miss Gretchen Braunschweiger, dental hygiene teacher, $3,700; Miss Cornelia Perry, elementary, $3,850; Randolph F. Siegel, junior high school, $3,700; Miss Elizabeth A. Hamel, school nurse-teacher, $3,850; Harlan D. Everett, French-Spanish, $4,500.

Mrs. Marie Miner was employed as a provisional stenographer on a 12-month basis at an annual salary of $2,500.

Mrs. Norma Hobbs was recommended for tenure at a salary of $4,000 and a full-time stenographer was approved for Hubert Hoderath, director of vocational and adult education.

Holland Foster was appointed chairman of the art department with an increase of $200 in salary. He will serve as coordinator of the art program. Marlin Morrette received an increase of $200 for his extra-curricular work with the band.

The following resignations were accepted with regret:

Irwin Traugot, junior high school, Harry Berchin, music department, and Mrs. Hilda Schwartzberg, stenographer for the board of education. All become effective June 30.

A maternity leave of absence was granted Mrs. Barbara A. Chick, a teacher in Grade 2, George Washington School, from Sept. 1, 1956, to Sept. 1, 1958.

The board took cognizance of a letter from Mrs. Frieda Dingee, principal of School 7, expressing the appreciation of Kingston teachers for Teachers Recognition Day celebrated recently.

The resignation of George R. Peterson as school traffic officer was accepted and Austin L. Tucker appointed to replace him. The traffic officer received $5 a day on days when school is in session.

Contract for fluorescent fixtures in School 2 was awarded to Ulster Electric Supply Co. of Kingston for $510.30.

The salary of William J. Hurley as second assistant football coach was increased from $300 to $400.

Members of the board are Mrs. Vincent Connelly, Mrs. John D. Schoonmaker, County Judge Louis G. Bruhn, Chester Baltz, Harold Darling, Robert O'Reilly, William E. Rylance, and David Kline. Mrs. Rosemary M. Jones serves as secretary.

Longshoreman

man, Patrick Lappin, and a number of shots were fired by the policemen as their commandeered taxi, driven by Elias Hlentzias, roared through the streets.

After the pursued car crashed into the bank window, the two occupants ran in different directions.

Vincent O'Brien, said by police to have been at the wheel of the fleeing car, was seized. The other man escaped.

Police said O'Brien told them he had been drinking and did not remember details of the chase.

Candidates Rest

delegates with 264 votes to round out the full convention complement of 1,372 votes.

An Associated Press count of pledged delegate votes and indicated first ballot preferences shows that Stevenson has 266—100 more than Kefauver, while 306 are distributed among several other Democratic figures and 370 are listed as uncommitted.

Thus, even if Stevenson could manage to collar the 264 delegate votes still to be selected, he still would be far short of the 686½ votes needed to win the nomination.

STRATEGISTS in the Stevenson camp said they were on the alert for a possible Kefauver move to join forces with backers of New York Gov. Averell Harriman. According to the AP tabulation, Harriman has 93 delegates pledged or favorable to him, including 80 in his home state.

Supporters of Kefauver and Harriman said any deal between them is unlikely. So far, Harriman has described himself as "not an active candidate" for the presidential nomination. But Stevenson has called the New York governor his strongest rival.

FORTY STATES so far have named delegates with 1,121 Republican National Convention votes, out of a total of 1,323. The AP tabulation credits Eisenhower with 960 delegates—far more than the 662 needed for his renomination.

In Washington, Sens. Monroney of Oklahoma and Humphrey of Minnesota—both Stevenson supporters—spoke of a growing Republican split over foreign policy. They said this would enable Stevenson to beat Eisenhower in November.

But Sen. Bender (R.-Ohio) retorted that the Democrats "haven't a candidate in sight who can even come close to Eisenhower." And Sen. Bridges of New Hampshire, chairman of the Senate GOP Policy Committee, said the Democrats "have a long way to go before they can even agree on a nominee." Bridges added that 1956 is "a Republican year."

Elsewhere in Washington, Jack Kroll, a co-director of the AFL-CIO "Committee on Political Education," said that right now the presidential election outcome looks like a "toss up." He told newsmen he believes the Democrats have the better of it in the battle for control of Congress.

Better Roads

posal did not guarantee that the money would be used solely for road purposes.

Prentedgast told the auto association convention:

"It is hoped that events since last November have cleared the air of any misunderstanding and misplaced fears regarding the wisdom of the (newly) proposed 500-million-dollar bond issue for highway construction, and that this November the voters will . . . support the amendment for more and better highways."

Noting that the auto association opposed the bond issue last year, Prendergast said:

"So that there is no further misunderstanding, I would like to make clear that the proposition to go before you this fall calls for the creation of a state debt of 500 million dollars to provide monies solely for the purpose of—and I quote—'construction or reconstruction, or improvement of state highways, state parkways, and state arterial highways in cities.'

"I sincerely hope that the automobile association, recognizing as I know it does the need for highway construction, will join us this year in an all-out effort to pass the highway bond issue, and thus make a valuable contribution to the over-all program of road safety."

Probation . . .

children special payments amounting to $1,975.

Between January 1 and December 31, 1955 probation was revoked for three male adults and two were committed to the Ulster county jail. One was committed to Clinton State Prison at Dannemora. There were 55 adult probation cases continued from 1954 and 59 cases were received during 1955. Five cases were transferred from other courts and the total number on probation was 119.

During the year 30 passed from probation, four were transferred to other courts and at the close of the year there remained on probation 85 cases. Of these cases 59 were males charged with misdemeanors, three were women charged with misdemeanors and 23 were males charged with felonies.

Crowd Expected At Grange Dance

Plans are complete and ticket sales indicate a crowd for the Western Jubilee Friday night at Highland Grange Hall four miles east of New Paltz on Highway 299.

This report came today from the young adult committee arranging for the event which will last from 8:30 to 12:30, with music by the Kentucky Moonshiners. The dance is open to the public, and is expected to draw people from all areas of the county.

Turkey Adopts Tough Policy for Newsmen

Ankara, Turkey, June 7 (AP)—Turkey's parliament today adopted a tough new press law providing prison sentences for newsmen and suspension for newspapers publishing "false news."

Approval of the measure came after a stormy all-night session interrupted by fist fights and a revolver skittering across the chamber floor.

The measure, which has two sections, was adopted on two votes, one 297-51 and the other 274-48.

The legislation, which is effective immediately, was proposed by Premier Adnan Menderes. He threatened in a series of speeches two months ago to adopt such a law because of mounting press criticism of his administration. Most of the criticism has centered on Turkey's difficult economic situation.

Aldermen Get

needed in their operations, in view."

HE WAS INFORMED, he said, that it would be necessary to deal directly with the organization's treasurer. "I felt that the mayor would be the best person to carry the ball from there. I contacted Mayor Stang, and he agreed to take the matter up with the company. In dealing with a firm as large as this, the negotiations were, naturally, prolonged, but we in the 10th ward, and surrounding areas are gratified by the successful conclusion.

"I would like to thank the mayor, and the Metropolitan Life Insurance Co., for their cooperation in this matter. I consider this an example of how big business feels about its neighbors, even the children."

A RESOLUTION by Radel asked that the corporation counsel "be directed to attend or be immediately available within the city hall for all future, regular and special meetings of the Common Council."

Another by Radel asked that a traffic light be re-established at Foxhall avenue and Broadway, that a traffic study be made at Foxhall avenue, Shufeldt and Grand streets. He included several suggestions for that area, proposed action on traffic speed on East Chester street, and requested a "Traffic control report on a radar speed control unit requested for this area," and asked for a blinker at East Chester and Lincoln streets.

Alderman William K. Bodenweber, ninth ward, asked that two-hour parking be put into effect on both sides of Staples street. Residents there, he said, presented him with a petition, which he made part of the resolution. He also asked for two-hour parking from 8 a. m., to 5 p. m. Monday through Friday on Hoffman street. He said he had also received "numerous requests" for this action.

Alderman Arthur Smith, eighth ward, asked that Spring street from Ravine to Hudson, and Hone to McEntee be made "one-way."

Alderman Zakseski, fourth ward, asked that a caution amber blinker be placed at or near the corner of Hemlock avenue and East Chester street.

Primaries Show

tenders." Kefauver's and Stevenson's efforts, he added, failed to "rouse any real enthusiasm within their own party."

He said the Democrats have tried to find a real issue against the Republicans but have failed.

"They started with the gloom and doom predictions of another general depression," he asserted. "That fizzled and they tried Dixon-Yates, and 'giveaways', the hydrogen bomb and a dozen others. They even tried to drag the newspapermen in with their silly charge of a one-party press."

Superintendent Harding, following the tour of National Guard facilities, expressed amazement at the large number of Guardsmen who devote voluntarily much of their time to obtain additional training at the Armory, and he was impressed by the modern equipment displayed. Nine members of the prison staff attended the affair.

Worker Is Injured

Stephen Butler, 48, of 580 Abeel street, was taken to Kingston Hospital this morning for treatment of injuries suffered in a fall while working on a construction project on the DeWitt Lake-Whiteport road. Available information indicated that the mishap occurred shortly before noon and Butler suffered injuries of a heel and wrist in a fall from a scaffold while at work for a contractor building houses in the area. He was taken to the hospital in a Schultz ambulance.

Financial and Commercial

New York, June 7 (AP)—The stock market advanced today with the steels, motors, and the oils out in front of the rise.

By far the greatest number of gains were fractional, but there were a few key issues that pushed up around 3 points. Losses were between 1 and 2 points at the most.

KERHONKSON NEWS

Kerhonkson, June 6—A party in honor of Philip Decker and his fiancee, Patricia Gentile, of Ellenville, was held at the home of Mr. and Mrs. Sam Cohen.

A meeting of the joint executive committee of the Jewish Community Center was held Monday evening.

Sunday guests of Mr. and Mrs. DeWitt Kearney included their nephew, Robert Brunner, and some friends of Schenectady.

The Couples Club of the Federated Church of Kerhonkson held its regular meeting in the social hall of the church. Eleven members were present. Prior to the business session members enjoyed group singing. Gilbert Quick, president, presided. A prayer was offered by James Pengelly. Nominating committee composed of Mr. and Mrs. Jacob Terwilliger and Mr. and Mrs. Van Dyke Churchell presented the following slate of officers for the coming year: President, Edward Freedman; vice president, Mrs. Roy Conklin; secretary, Mrs. Kaethe DeBus, and treasurer, Mrs. Raymond Johnson. They were unanimously elected and will assume their duties in September. A vote of thanks was given to the outgoing officers. The final meeting for this year will be in the form of a picnic on June 25 to be planned by the refreshment committee. A very interesting film, "A Green Harvest," was presented by the entertainment committee. Refreshments were served by Mr. and Mrs. James Pengelly and Mr. and Mrs. Van Dyke Churchell.

Art Levitz, who was formerly affiliated with the B and F Market here in Kerhonkson, has now assumed proprietorship of the meat department at Dolas Food Market, Ellenville.

Mrs. Sidney Rothenberg is visiting relatives in New York city.

Rondout Study Club held its final meeting at Chateau Raffier. It was a dinner meeting and the following members enjoyed it, Mrs. Hiram Brooks, Mrs. Hasbrouck Decker, Mrs. Charles Burger, Mrs. John Schoonmaker, Mrs. Ellen Decker, Mrs. Jack Braun, Mrs. Robert Divine and Mrs. Cyrus DePuy.

A house warming was tendered Mr. and Mrs. Charles Gatoes and family by their neighbors on Saturday evening.

Donald Lawrence and Stephen Shultz are employed at Napanoch Institution.

Thomas Martin, son of Mr. and Mrs. James Brush is a patient at Veterans Memorial Hospital.

Mr. and Mrs. Oscar Jablonsky are now residing at their home here. They arrived on Sunday and entertained their daughter and family from Long Island.

Mrs. Julian Raper entertained in honor of her daughter, Susan's birthday. Many friends were there.

Mr. and Mrs. Ben Markle are residing at the Speigel apartments until their new home, the former Van Dyke Churchell house, is vacated.

Richard Martin of Delhi has moved into the Philip Davis bungalow.

Mr. and Mrs. Sam Cohen and Mrs. Max Brown were among those who motored to New York city on Thursday evening to see the opening of Ivory Branch, written by Mrs. Ben Reavin.

Mr. and Mrs. Siegfried Abrahams of this village announce that their grandson, Robert Arnold, has graduated from the Fairview High School in Dayton, Ohio, and is now registered at the University of Denver.

The Child Understanding Club entertained at the home of Mrs. L. Davis. Mrs. J. Weissman spoke on "Juvenile Delinquency in Our Town." Members present were Mrs. Eleanor Keator, Mrs. Deena Pearlman, Mrs. Marcia Krom, Mrs. Ruth Marshall, Mrs. Sue Davis, Mrs. Gertrude Brocklow, Mrs. Barbara Lamay, Mrs. Anna Feinberg, Mrs. Joan Madden, Mrs. Nancy Knox, Mrs. Barbara Strauss, Mrs. Pat Davenport, Mrs. Nathan Trowbridge, Mrs. Franklyn Kelder, Mrs. Stanley Kelder, Mrs. Dorothy Little and Mrs. Ross Coddington.

Union Center

Union Center, June 6—George Villielm, Jr., has returned home from Benedictine Hospital.

Chester Soper, a patient at the Golden Hill Hospital, spent a few days at his home.

John Guido and Rudy Hopkins, local Boy Scouts, spent the weekend with their troop at Camp Tri-Mount.

The local school will enjoy a picnic at Forsyth Park June 20.

Closing exercises of the school will be held June 21 at 7:30 p. m. The trip to Rip's Retreat is planned June 26.

At the auction sale held by the Grange, Peggy Gendreau and Rudy Hopkins entertained. They played before a very appropriate poster, "Help the CP Children Play and Sing Again." The poster was drawn by Rudy Hopkins.

Think GOP Split On Foreign Policy Will Help Adlai

Washington, June 7 (AP)—Two Senate supporters of Adlai Stevenson contended today that what they described as a growing Republican split over foreign policy would enable him to defeat President Eisenhower in November.

Democratic Sens. Monroney (Okla.) and Humphrey (Minn.) professed to see evidence of such a split in Eisenhower's refusal to endorse Sen. Wiley (R.-Wis.) for renomination in a primary race with Rep. Glenn Davis (R.-Wis.).

Chairman Bridges (N.H.) of the Senate GOP Policy Committee laughed off such a suggestion in another interview and said the Democrats "have a long way to go before they can even agree on a nominee."

And Sen. Bender (R.-Ohio) said the Democrats "haven't a candidate in sight who can even come close to Eisenhower."

Wiley, senior Republican member and former chairman of the Senate Foreign Relations Committee, was rebuffed when the Wisconsin State Republican Convention on May 26 overwhelmingly endorsed Davis for his seat. Wiley claimed the convention was "rigged" by "king makers" among whom he included Sen. McCarthy (R.-Wis.).

Eisenhower, asked yesterday whether he planned to help Wiley, a strong supporter of his foreign policies, told his news conference the primary decision is one for the people of Wisconsin. "I don't believe it is a place that the President of the United States should be interfering," he said.

Wiley said he agrees with Eisenhower, adding he never would put the President "in a corner." But he said he noted in the past a "very kind and favorable" evaluation of his efforts in behalf of Eisenhower policies, and added:

"Perhaps he may choose to do so again in the future without, of course, attempting to interfere."

Meanwhile, Humphrey described as "spectacular" Stevenson's California primary victory over Sen. Estes Kefauver of Tennessee.

Landed 'Em Anyway

Norfolk, Va. (AP)—Ashley Haycox, on a Caribbean cruise, bought a donkey in Jamaica. But the seller and the donkey disappeared before sailing time. Then he reappeared with the donkey and a new-born donkey. Dutch crewmen hoisted mama and baby aboard. Happy ending? Not quite. Haycox learned here that he couldn't land the donkeys because there had to be a quarantine period. The donkeys continued to New York. Haycox will get 'em by paying the fare from New York.

Patience Urged In Peace Quest

Bonn, June 7 (AP) — Former President Truman and Chancellor Konrad Adenauer appealed today for patience and firmness by the free nations in the quest for world peace.

The two statesmen conferred for 30 minutes in the federal chancellery. Truman said they spoke mainly of world peace.

"WE BOTH hope that this period (of world peace) will arrive," Truman said. "If we are patient and do what we must do, we will get it one day."

He said his visit with the 80-year-old chancellor "was one of the most pleasant since I left the White House." Adenauer leaves tomorrow for Washington to confer with President Eisenhower.

The German government chief voiced appreciation for the "energy with which President Truman put forward the idea of restoring Germany" when he was the American chief executive and said:

"I SHARE his view that we will succeed in maintaining peace if we remain patient and continue to have confidence in our aims. We are both agreed in the hope that this day (of world peace) will soon come."

Iron Workers Back On Jobs in Utica Area

Utica, N. Y., June 7 (AP)—Construction workers who went on strike a week ago in a wage dispute were back on the job today after union officials accepted a graduated pay increase.

Rank-and-file members of Local 440, International Assn. of Bridge, Structural and Ornamental Steelworkers still must approve the settlement, union officers said. The local has about 460 members.

No meeting on the proposal was scheduled immediately.

General Building Contractors Inc. of New York State offered the workers 15 cents an hour now and 15 cents more a year from now. The increases would bring the pay to $3.50 an hour.

Picket lines had been set up at heavy construction projects within the union territory. It includes parts of Chenango, Otsego, Schoharie, Montgomery, Madison, Oneida, Lewis, Fulton, Hamilton and Franklin counties, and all of St. Lawrence and Herkimer counties.

Cypriot Is Killed

Nicosia, Cyprus, June 7 (AP)—Andreas Serghiou, a Greek Cypriot government official, was shot dead today as he entered the commissioner's office in Limassol. A curfew was clamped on the town while security forces searched for the killer. Sergides, a district commissioner-inspector, was shot three times in the chest. He died 40 minutes later. In Famagusta, three gasline bombs were thrown at a house of a British soldier. They caused no casualties or damage.

RIOT IN THE DIET—Upper House President Tsuruhei Matsuno (seated) as an unidentified Diet guard in his lap as guards seek to protect the President from rampaging Socialists. The riot took place when Socialist Saburo Eda refused to stop filibustering and Diet guards, on the orders of President Matsuno, sought to evict him. (NEA Telephoto)

Holds to Story

Cincinnati, June 7 (AP)—Police said a 20-year-old youth they describe as illiterate and with a record of sex offenses against children today held to his story that he strangled Richard Townson, 5, in an alley on May 20. But the youth's parents insisted he could not be guilty, declaring their son, William Roy Watson, was at home during the day and evening that Richard was strangled with his own belt. A similar story came from other children of Mr. and Mrs. William Watson.

Delinquent Parents

Long Branch, N. J. (AP)—One of the questions in a statewide poll by the Parent-Teachers Assn. was: "Do you know where your children are right now?" But local PTA officials ran into trouble. One of them, Mrs. William Schlenger, explained: "On many of my calls, children answered who didn't know where their parents were."

Retirement Idea For Elderly Is Experimental Yet

Washington, June 7 (AP)—The Florida "retirement village" idea for housing retired couples must be regarded as experimental until it's seen what happens when their health fails, an architectural editor says.

Emerson Goble, managing editor of the Architectural Record, told a federal-state conference on aging yesterday there must be a wait-and-see view toward "the retirement village idea so prevalent now in Florida, in which alert operative builders sell ready-built houses in communities designed for retired people."

"Builders," he said, "have found a market for inexpensive little houses among retirees from the north who have long looked forward to basking in the land of sunshine."

As he understands it, he said, retired couples sell their homes in the north, buy new cars and take off for Florida, looking forward "hopefully to new friends and new activities, along with ease and a lot of fishing."

"This is a nice dream and for all I know it may frequently be realized," Goble said, but added:

"Trouble could come—must come—when eventually human strength runs out. As time takes its toll, the new car ages—more rapidly than papa and mama perhaps and funds to replace it may come hard.

"After a few years father has to give up mowing the little lawn, painting the trim, keeping up with house repairs. So the people, the car and the house begin to fail together.

"What will happen then? Well, maybe the promised infirmary will be built, nursing care will be worked out (maybe in the home), and maintenance problems may be handled on some communal basis."

He said, "many builders in Florida tend to scoff at this discouraging picture—they argue that some years of experience have not brought on such problems."

"But," he declared, "those troubles are as certain as death and taxes, to the people if not the community."

Russia Will Send Grain to Yugoslavia

Belgrade, Yugoslavia, June 7 (AP) — Yugoslavia, whose wheat barrel has drawn on the United States in recent years, today announced plans to import the grain from Russia.

Belgrade radio made the disclosure in announcing that Yugoslavia and Russia had agreed to boost their trade volume by 20 million dollars this year.

The broadcast said the new agreement calls for wheat, crude oil, aluminum, machineries and industrial equipment from Russia. In exchange, Yugoslavia will export metallurgical products, agricultural articles, woodwork, shoes and textiles.

BIG LETTER DAY—The giant symbol, shown above, was formed by most of the 1,300 Kansas 4-H club boys and girls at the 32nd annual 4-H Roundup at Manhattan, Kan. Photographer Floyd J. Hanna, who made the picture, only found out exactly how many were in the picture when he made a print for each of the participants.

4 Are Convicted In Liquor Case

Rochester, N. Y., June 7 (AP)—Four men charged with operating an interstate illegal liquor ring have been convicted by a federal court jury.

A jury of seven women and five men yesterday found the accused guilty on two counts each of the possession, purchase, sale or transportation of illegal alcohol and conspiracy to violate the internal revenue laws.

Found guilty were Michael May, 47, and Louis Destino, 30, both of Rochester, N. Y., Fred B. Navarro of Detroit, and Joseph Romeo of Erie, Pa. All had pleaded innocent at their arraignments.

Judge Harold P. Burke allowed the four men to remain free on bail pending sentencing June 25.

The jury returned the verdicts after deliberating more than three hours. The trial began Monday.

Civil Service Exam

The Federal Prison Industries, Inc., Department of Justice, needs industrial foremen with supervisory or teaching experience in the manufacture of corn brooms, wood products, men's clothing and shoes, and in printing, typewriter repair, and machine die and tool work. The positions are located in federal prisons throughout the United States and pay from $4,080 to $4,970 a year to start. Interested persons may obtain further information and application forms from William P. Barry located at Main Post Office, Kingston, N. Y.

Arrives in Tel Aviv

Tel Aviv, Israel, June 7 (AP)—Gov. George M. Leader of Pennsylvania arrived at Lydda Airport today for one week's stay in Israel during which he will be received by President Izhak Ben-Zvi and Foreign Minister Moshe Sharett. Leader will take part in the dedication of a forest for which funds were donated by the Pennsylvanian friends of Israel.

Weekly Food Review

(By the Associated Press)
Thursday, June 7

Meats on special weekend sale vary widely across the nation this week but chickens will be found on almost all food store bargain lists.

Faced with rising costs for beef on wholesale markets and relatively high costs for lamb and pork, retailers have looked hard for other featured items. One chain in New York offers lobsters, another includes frankfurters and here and there across the country turkeys are featured.

PICNIC HAMS and chuck roasts will be found fairly often by housewives shopping for specials.

Beef, which had a substantial rise on the wholesale market a week ago, is generally selling at slightly higher retail prices this week.

Lamb has stayed fairly firm after recent increases but pork is slightly lower. Both lamb and pork are now well above prices of a year ago. Wholesale prices in New York are 9 and 10 cents above year-earlier levels.

The outlook for price-conscious shoppers is better at vegetable counters where new crops are swelling the number of outstanding buys. In most areas there are good supplies of Boston and Romaine lettuce or other salad greens, radishes, rhubarb, spinach and green onions from nearby farms.

A little higher at the good buy level are asparagus, iceburg lettuce, yellow and green squash and carrots. Florida sweet corn is being shipped in larger quantities and the price has come down a bit.

POTATOES ARE mostly from California's new crop and prices are relatively high for this staple on many family menus. Onions are also getting expensive, owing to the late spring crop in Texas and California being smaller than expected.

Oranges and grapefruit remain the standbys at fruit counters but prices are moving up slightly as the Florida crop tapers off. Some areas enjoy an abundant crop of local strawberries.

Exchange Students

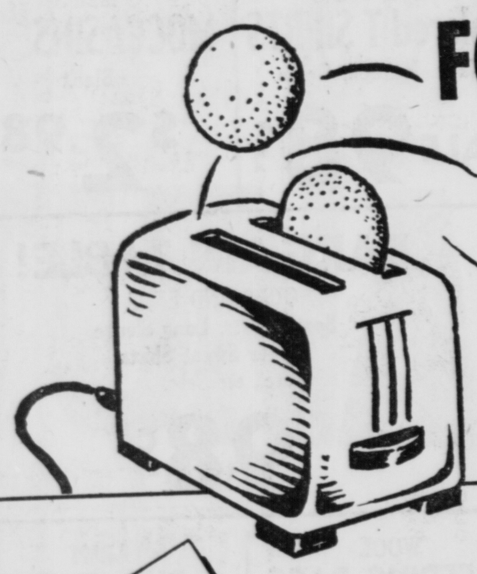

New York (AP) — Every year some 50,000 persons are on exchange between United States and foreign colleges, universities and research organizations Last year, says the Institute of International Education, about three fourths of these were foreigners coming to the United States. Officials of the institute, founded in 1919, believe that persons with international training are of such value to business, government and professional groups that it has established a Central Index of Educational Exchanges covering 210,000 persons who have had contact with it in the past 36 years. "Information on an estimated 25,000 to 30,000 new exchanges will be added annually," says Kenneth Holland, president of the Institute.

Annual Literature Weekend Scheduled At Bard College

Problems in modern literature will be the theme of the 10th annual literature weekend at Bard College, Annandale-on-Hudson, on Saturday.

Robert Lowell, Pulitzer Prize-winning poet, will speak on "Art and Evil" Saturday at 10:30 a. m. in Bard Hall. "Literature and Criticism at the Present Day" will be the topic of a lecture by Philip Rahv, editor of the Partisan Review, author and editor of many anthologies, in Bard Hall at 2:30 p. m. A panel discussion will follow in which the two speakers, led by Frederick Dupee of the languages and literature division of the college, will participate. There will be a reception in Albee Social after the discussion. The public is cordially invited to attend all of these events.

Literature Weekends, under the sponsorship of Bard's Division of Languages and Literature, began in 1946. Many noted authors including Lionel Trilling, Wallace Stevens and Willian Carlos Williams have addressed audiences at the college each spring.

Ruby Resident Given Masters in Student Personnel Field

Freda R. H. Martens of Ruby was officially awarded the Master of Arts degree in the field of Student Personnel by Teachers College, Columbia University, at the university's commencement exercises on June 5, Dr. Hollis L. Caswell, president of the college, has announced.

Teachers College is the graduate school of education of Columbia University. It offers advanced, professional programs for teachers, administrators and other personnel in all grades and departments of the educational system of the United States, from nursery school through the university.

Suppers

Willow Methodist

Annual supper will be held at the Willow Methodist Church Hall, Saturday, June 16. Servings start at 5:30 p. m.

MR. AND MRS. EDWARD CERCONE (Lipgar photo)

Elizabeth Tucker Weds Edward A. Cercone; Double Ring Ceremony Held in St. Mary's

Miss Elizabeth T. Tucker, daughter of Mr. and Mrs. Austin L. Tucker, 35 Shufelt street, became the bride of Edward A. Cercone, son of Mr. and Mrs. Amedes Cercone, 622 Broadway, Sunday, June 3, at 2 p. m. in St. Mary's Church. The double ring ceremony was performed by the Rev. Edward I. Farrelly.

Theodore Riccobono was at organ and Patricia Keefe sang, "Ave Maria," and "Mother At Your Feet Is Kneeling."

Michael Smedes and Vincent Smedes Jr., nephews of the bridegroom, served as altar boys.

Miss Tucker was given in marriage by her father. She wore a gown of white imported embroidered organdy, fashioned with a molded bodice, short puffed sleeves and a bateau neckline. Her bouffant skirt was waltz length and she wore a crown of seed pearls to which was attached her triple tiered French illusion veil. The bride carried a prayer book with phalaenopsis and showers of lily of the valley.

Miss Betty Bailey of 154 Spring street was the maid of honor. She wore a maize strapless nylon net gown with a matching stole. The gown was ballerina length and a crown of flowers held a matching veil. Miss Bailey carried a cascade bouquet of pink carnations and pink netting.

The mother of the bride and mother of the bridegroom wore baby blue lace dresses with white accessories. Their outfits were completed with corsages of pink roses.

Paul A. Cercone of 152 St. James street was the best man for his brother. Ushers included Vincent Smedes, 58 Van Deusen street, and Francis X. Tucker, Lucas avenue extension.

Following the ceremony, a reception was held at the Flamingo, Saugerties road, for approximately 100 guests. Music was provided by Johnny Knapp and his orchestra.

Miss Tucker attended Kingston High School and Moran-Spencerian School of Business. She is employed in the office of Herzog's Supply Company.

The bridegroom attended Kingston High School, served with the U. S. Army in World War 2 and is now employed by the Kingston China and Bar Supply Company as a salesman.

For her wedding trip South, the bride chose a toast colored dress and coat ensemble with white and yellow accessories.

When Mr. and Mrs. Cercone return, they will make their home at 189 Hurley avenue.

MRS. GERALD J. BRUCK (Sam Vona photo)

Esther DuBois Wears Gown of Rose Pointe Lace for Marriage to Gerald J. Bruck

Miss Esther J. DuBois, daughter of Mr. and Mrs. Charles H. DuBois, 56 Murray street, became the bride of Gerald J. Bruck, son of Mrs. Ethel Bruck, 90 Murray street and the late Harry J. Bruck, Sunday, May 27, 2 p. m. at St. Mary's Church. The Rev. Edward I. Farrelly officiated at the double ring ceremony.

At the organ was Theodore Riccobono.

White gladioli decorated the church for the occasion.

Given in marriage by her father, the bride wore a white gown of rose point lace and nylon tulle posed over bridal satin, styled with a fitted bodice, long tapered sleeves and an illusion yoke with a tiny collar of sequins. Her bouffant skirt featured a sequined panel of lace which swept back into a chapel length train. Her French illusion fingertip veil was secured to a bridal cap of shirred tulle embellished with seed pearls. Miss DuBois carried a cascade of white roses entwined with ivy.

Serving as matron of honor was Mrs. Dolores McCardle of 89 Third avenue. She wore a gown of lilac colored nylon chiffon, styled with a shirred and molded elongated bodice, sweetheart neckline and a very full floor length skirt. She wore a matching tiara of stylized iridescent flowers and carried a bouquet of yellow carnations.

Bridesmaids were Barbara Bruck, sister of the bridegroom and Miss Marion Raskoskie, 140 Murray street. Their gowns were identical in style to that of the honor attendant except in buttercup yellow and they carried bouquets of violet carnations.

Ronald Bruck of 90 Murray street, brother of the bridegroom, was the best man. Ushers included John Murphy, 20 St. Mary's street, and Michael McCloskey, 22 Van Gaasbeck street.

A reception was held at the Capri in Port Ewen for approximately 140 guests.

The bride is a graduate of Immanuel Lutheran School and Kingston High School. She is employed by IBM in Kingston.

The bridegroom attended Kingston High School and was associated with Abel's Market.

For her wedding trip to Canada, the bride chose a navy blue faille suit with white and blue accessories and a corsage of white rose buds.

When Mr. and Mrs. Bruck return, they will reside at 2 St. Mary's street.

Retailing Students Honor Retailing Instructor at Banquet

A surprise dinner, sponsored by Retailing (II) students of Kingston High School, was held last week at the Capri in Port Ewen in honor of their instructor, Loryne B. Connick.

The event was planned by the students to show their appreciation for Mr. Connick's instruction as a teacher and friend.

Attending the dinner with the honored guest, was Mrs. L. B. Connick, his wife.

Mr. Connick has been on the teaching staff of the Kingston High School since 1937 and is now head of the Commercial Department.

Robert H. Cooper To Sing Saturday With Boston Pops

Robert H. Cooper, son of Mr. and Mrs. Ralph M. Cooper of 188 North Manor avenue, will be a member of the New England Conservatory Chorus when it sings at the Boston Pops Concert Saturday. The second Saturday night in June has been New England Conservatory night at Pops since 1930 when Mr. Fiedler became Pops conductor.

Mr. Cooper is a bass. He has just completed his junior year at the New England Conservatory, where he is majoring in Music Education. Under the direction of Lorna Cooke deVaron, its permanent conductor, the Conservatory Chorus will sing English, Latin-American and modern American songs.

Engaged to Wed

CAROL MAE STEVENS

Mr. and Mrs. Charles L. Stevens Sr., of Sawkill announce the engagement of their daughter, Carol Mae, to Floyd Harry La Forge, son of Mr. and Mrs. Floyd D. La Forge of 61 Wrentham street.

Miss Stevens is a senior at Kingston High School. Her fiance, a graduate of the high school, is a patrolman on the Kingston Police Department.

No date has been set for the wedding.

Good Taste Today

By EMILY POST

(Author of Etiquette, Children Are People, etc.)

LOOKING OVER ANOTHER'S SHOULDER

A reader writes me as follows: "I look forward to playing mah jong every week. I do not get a chance to go out very often and would like to continue playing except for this problem. There is always one person who bets and that person is free to stand over your shoulder and watch you play. This makes me extremely nervous and I play poorly. I have tried (in a nice way, of course) to tell the person that I cannot play easily with someone looking over my shoulder, but it is always resented. It is wrong to make such a request?"

I think you are quite right in asking her please not to look over your shoulder as it makes you very nervous. But if she persists in doing it, and if no one else in the group objects to her doing so, there is nothing you can do except learn to get used to it, or else not play.

Danger in Brooding too Long

Dear Mrs. Post: Our son's wife died seven months ago. He has two young children. His wife's death was a great shock to him and he has become very nervous. His father and I feel that he should start to go out a little, but he thinks it is much too soon and doesn't want to do so—unless you say it is proper. May I hear from you please?

Answer: I feel your son should endeavor to develop some outside interests. If he continues too long a solitary life results may be serious.

Ring Over Glove

Dear Mrs. Post: I would like to know if it is ever proper for a women to wear a ring over her glove? I saw a very well dressed woman the other evening who wore her ring over her glove and I wondered whether this was in good taste?

Answer: It was in very worst possible taste!

* * *

Who pays for the wedding expense, the bride or groom, or both? Mrs. Post is sorry she cannot answer personal mail. However, her booklet No. 501, "The Etiquette of Weddings," describes the expenses and tells who pays for them. To obtain a copy, send 25 cents in coin to Dept. EP, care of The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y. (Released by The Bell Syndicate, Inc.)

PRIEST IN THE FAMILY—Avery Dulles, 37, the youngest son of Secretary of State and Mrs. John Foster Dulles, will be ordained a Jesuit priest on June 16th by Francis Cardinal Spellman at Fordham University, New York City. Young Dulles entered a Jesuit novitiate in 1946 and has been studying for the priesthood since that time.

Castiglione Receives Master of Arts From Columbia University

Richard B. Castiglione of 495 Albany avenue, was officially awarded the Master of Arts degree in the field of Music by Teachers College, Columbia University, at the university's commencement exercises on June 5, according to Dr. Hollis L. Casewell, president of the college.

Mr. Castiglione served as conductor and music arranger for the Arlene Francis show, "Soldier Parade" when it was scheduled by the ABC network.

Betty Jane Dabney Wed in Double Ring Ceremony to William Chavis of Brooklyn

MRS. WILLIAM CHAVIS

Miss Betty Jane Dabney, daughter of Mr. and Mrs. Dorris Dabney of 47 South Pine street, became the bride of William Chavis, son of Mrs. Julia Chavis, 957 Green avenue, Brooklyn, Sunday, June 3, at 4 p. m. in Franklin Street AME Zion Church. The Rev. Sampson M. Greene perormed the double ring ceremony.

George Armstrong was at the organ and June VanDerzee sang several selections.

For the wedding, the church was decorated with snapdragons and white carnations.

Miss Dabney was given in marriage by her father. She wore a gown of Chantilly lace and tulle fashioned with a fitted bodice. Her full skirt featured a peplum embroidered with seed pearls. A crown of seed pearls held her fingertip veil and she carried a cascade bouquet of white roses.

Miss Carol Williams of Nyack was the maid of honor in a Nile green gown. Bridesmaids were Miss Novella Bright of Yonkers and Mrs. Catherine Scott of Brooklyn. The bridesmaids wore lilac gowns and all three girls carried nosegays of red roses.

Walter Johnson of Esopus was the best man. Ushers included Orville Goodman, Frederick Miles and Dorris Dabney, brother of the bride.

Following the church ceremony, a reception was held at the Governor Clinton Hotel for approximately 200 guests.

For her wedding trip, the bride chose a beige suit with pink accessories and a white rose corsage.

Miss Dabney is a graduate of Kingston High School and attended Plattsburgh State Teachers College. She is employed by the New York Bell Telephone Company.

The bridegroom is a graduate of Fordham University and is on the staff of the Wiltwyck School for Boys.

Mr. and Mrs. Chavis will reside at 49 South Pine street.

Accepts Position As Field Secretary At 'Teke' Fraternity

NELSON G. BURHANS

Executive Alumni Secretary Nelson G. Burhans, son of Mr. and Mrs. Nelson Burhans of Evesport, town of Saugerties and director of Publicity for Hartwick College, Oneonta, has accepted the position of field secretary and public relations representative for the national officers of Tau Epsilon Fraternity.

He will resign his duties at Hartwick July 15 and will be succeeded by Vernon W. Smith, editor in chief of Peak, the college newspaper.

Mr. Burhans who has been at Hartwick since July, graduated from Saugerties High School and attended Hartwick until he graduated in 1952. After Hartwick he received his Bachelor of Divinity degree in May 1955 from the Lutheran Theological Seminary, Gettysburg, Pa.

He is listed in Who's Who in American Colleges and Universities. At Gettysburg Seminary Mr. Burhans was president of the Student-Faculty Relations Committee and served as general manager for the concert choir which toured an average of 1,400 miles each year.

While serving at Hartwick he was also active on the American Education Committee of Oneonta. He authored "Campus on a Hilltop," a feature pictorial magazine article on the story of Hartwick.

Young Burhans' duties with "Teke" Fraternity will begin in August and will take him to Champaign, Ill., where he will receive special training for the position. In September he will be assigned to a section of the country as his area of representation.

Mr. Smith who will succeed Mr. Burhans at Hartwick, is a native of Burlington, Vt., and a veteran of two years service with the Army Medical Corps. A graduate at Hartwick, class of 1955, in addition to editing "Peak," he served as production manager of the Life at Hartwick radio series. The past year Mr. Smith attended Drew Theological Seminary, Madison, N. J.

Young Mr. Burhans will occupy the pulpit at his home church, St. Paul's Evangelical Lutheran Church of West Camp during the month of June while the Rev. Alvin F. Messersmith, pastor is on vacation.

There are about 18,500,000 home gardens in the United States today.

Personals

Mr. and Mrs. Frank Kiwus of 14 South Wall street are celebrating their 25th wedding anniversary today.

Lois Tobias Weds Franklin Dean Smith In Double Ring Ceremony on June 3

MR. AND MRS. FRANKLIN D. SMITH
(Tom Reynolds photo)

Miss Lois Tobias, daughter of Mrs. Mirza Tobias of Sunset Park, became the bride of Franklin Dean Smith, son of Mr. and Mrs. Frank Smith of Grahamsville, Sunday, June 3 at 2 p. m. at Mt. Marion Reformed Church. Performing the double ring ceremony was the Rev. Andrew Hansen.

Mrs. Estella Flicker was at the organ and Miss Marilyn Winnie sang "Because," and "Ave Maria."

White gladioli decorated the church for the occasion.

The bride was given in marriage by her brother, Chester Tobias. She wore a white gown of imported French lace over bridal satin fashioned with a fitted bodice, long tapered sleeves and a "V" neckline. Her bouffant skirt of tiered and ruffled lace featured a nylon tulle godet. Her French illusion three quarter length veil was secured to a rose point lace bridal cap trimmed with seed pearls. Miss Tobias carried a cascade bouquet of white carnations and swansonia.

Maid of honor was the bride's sister, Elizabeth Tobias of Sunset Park. She wore an aquamarine nylon net and parchment satin gown styled with an empire bodice and bouffant skirt banded in satin. She also wore a matching jacket and half hat trimmed with lilacs. The honor attendant carried a cascade bouquet of yellow carnations.

Best man was Harvey Furman of Grahamsville. Ushers were Donald Terwilliger and Demming Krum.

A reception was held at Schoentag's Colonial Tavern in Saugerties for approximately 25 guests.

Miss Tobias is a graduate of Saugerties High School and is employed by the Rondout National Bank.

The bridegroom is a graduate of Tri Valley High School, Grahamsville, and is employed as a supervisor by the Sullivan County Dairy Herd Improvement Association.

For her wedding trip to Lake George, the bride chose a champagne linen suit with champagne and chestnut colored accessories and a corsage of white carnations.

When they return from Lake George, Mr. and Mrs. Smith will make their home in Liberty.

CHRISTOPHER BROWN

Christopher Brown, son of Mr. and Mrs. Lewis S. Brown of 124 West Pierpont street, was graduated from State University Agricultural and Technical Institute at Morrisville where he received the degree of associate in applied science. He studied automotive technology.

Illness Cancels Trip

Singapore, June 7 (AP) — A "slight illness" has caused U. S. Ambassador Max Bishop to cancel the Indonesian vacation to which some Indonesians objected. Bishop, American envoy to Thailand and U. S. representative to the Southeast Asia Treaty Organization (SEATO), arrived here yesterday en route to Jakarta. U. S. consulate sources disclosed he would not go on as scheduled, and attributed the change in plans to his health. Bishop's trip had caused a stir in the Indonesian capital because of his connection with SEATO. Indonesia has proclaimed a neutralist role between the East and West.

A prominent New York attorney in a discussion of communism said:

Attorney — Communist arguments that look good at first glance won't bear examination. An employer complained to one of his clerks: "See here, Sam, how is it that you never turn up on time any more?"

"Well, boss, it's like this," said Sam. "You've drilled me so well never to watch the clock during office hours that I've lost the habit of watching it at home too."

Boy, 7, Credited With Saving Little Sister

Rome, N. Y., June 7 (AP)—Firemen credit John Webb with saying the life of his sister when fire swept their third-floor apartment last night.

He's seven.

He guided and, when necessary, carried two-year-old Ann Marie Webb down two flights of stairs.

Firemen said the children were alone in the apartment when fire broke out in the kitchen. Mr. and Mrs. John Webb, the parents, were at work, firemen reported.

No one was injured in the fire, which was confined to the top floor of the three-story house. Assistant fire chief Howard G. Bentley said the cause of the fire had not been determined. There was no official estimate of damage.

One observer saw a house wren feed its young 1,217 times in 15 hours.

More Donors Are Announced for 10th Horse Show

Woodstock, June 7—Mrs. Andrew J. Snyder of Rosendale, chairman of the trophies and ribbons committee for the 10th annual Horse Show, sponsored by the Woodstock Riding Club, Inc., Sunday, June 17, has announced an additional list of trophy donors for the event. They are as follows:

Bernie Goldman of Kingston, Anderson Hardware Company of Rosendale, Rondout National Bank of Kingston, Mr. and Mrs. Freilan Van De Bogart of Bearsville, Henry and Katherine Bertsch of Bearsville, Mr. and Mrs. A. H. Chambers of Kingston, The Universal Road Machinery Company of Kingston, Ben Fromes of Kingston, Dr. and Mrs. Henry L. Bibby of Kingston, Clark's Radio and TV Service of Kingston, The Rondout Valley Lions Club of Marbletown.

Mrs. Virgil Van Wagenen, show secretary, reports that a substantial number of entries have already been received and more are expected to come in up to the show time.

The grounds committee has been hard at work preparing the Ohayo Mountain ring for the horse show. Judging will start promptly at 9 a. m., Sunday, June 17.

School News

Woodstock, June 7—The annual bus trip to New York by the pupils of the seventh and eighth grades of the Woodstock School will be made Friday, June 8. They will be accompanied by Walter Van Wagenen, principal, and Mrs. James Kinns, room mother.

The following schedule of regents at the school will be held: Friday, June 15, English I; Monday, June 18, Citizenship Training; Monday afternoon, English II; Tuesday, General Science; Wednesday, Arithmetic.

Commencement ceremonies will be held at the school Friday evening, June 22.

FOOD SALE

Woodstock, June 7 — There will be a food sale on the lawn of the Lutheran Church, Saturday, June 9, at 10 a. m.

Jewish Sunday School Members Hold Picnic

Woodstock, June 7 — The Woodstock Jewish Sunday School wound up a highly successful year with a Memorial Day picnic held on the outdoor terrace at the River road home of Mr. and Mrs. Herbert Finkel. Mrs. Finkel is teacher of the school.

The children and their parents were all present and all had a fine time at the picnic, which was a fitting close to what all agreed had been an enjoyable as well as instructive series of classes for the children—and well attended generally despite the problems of meeting every Sunday morning throughout the winter.

The classes were held in a guest cottage on the property of Mr. and Mrs. Kermit Schwarz on Boggs Hill. Besides the classes, the Sunday school held celebration parties on the holiday occasions of Chanukah and Purim, with appropriate festivities, songs, dances, and a play presented by the children.

Mrs. Kermit Schwarz, who served as president of the parents group of the Sunday school, extends thanks on behalf of the group to Mrs. Inez Finkel, for the wonderful job she did with the children, and to all the parents and business people and other members of the community who by their constant help throughout made the venture not only possible but such an outstanding success.

Church Notes

Woodstock, June 7—The title of the messages of the Rev. Olney E. Cook, pastor of the Lutheral Church, Sunday morning at the 11 a. m. service, will be "Give God The Glory." This is in connection with the dedication of the gifts and memorials for the 150th Anniversary of the Church. A special musical program has been arranged by all the choirs for the occasion. The Sunday school will meet as usual at 10 a. m. All are welcome to the services. A committee is in charge of the nursery where parents are invited to leave young children during the worship service.

The sermon topic for the churches of the Woodstock Methodist Parish for Sunday, June 10, is "The Drum Major Instinct." All persons are cordially invited to worship with the parish. The full-time summer program has started in the Willow Church with the worship services conducted by the Rev. Garnett Wilder each Sunday.

On Sunday members of the church schools will present Children's Day Programs at Wittenberg and Shady, during the regular worship hour.

At Woodstock the officers of the Woman's Society of Christian Service will be installed by the minister as part of the worship service. They are: Mrs. Clyde Elwyn, president; Mrs. Hannah Dock, vice president; Mrs. Freilan Van De Bogart, secretary; Mrs. Lewis Reynolds, treasurer; Mrs. Victor Shultis, secretary of local church activities; Mrs. Linda Sahler, secretary of Missionary Education; Mrs. Garnett Wilder, secretary of Spiritual Life.

On Friday evening, June 8, the MYF will meet at the Wittenberg Youth Center at 7 p. m.

The first Parish Family Night will be held at the Woodstock Church Hall on Monday evening, June 11. The Parish has felt a need to get together as a family group on informal terms for fun and fellowship and inspirational guidance. Each family is asked to bring a covered dish to be served at 7 p. m. At 7:45 p. m., a film "Martin Luther" will be shown. Everyone is cordially invited to attend.

The Wittenberg WSCS will meet Tuesday, June 12, at the home of Miss Katrina Miller at 8 p. m.

The annual strawberry shortcake supper will be served at the Willow Church Hall Saturday, June 16, beginning at 5:30 p. m.

Eight Join Zena Gallery Art Group

Woodstock, June 7—A meeting was held at the studio of Lynfield Ott Monday night to officially admit new members to the Zena Gallery Group. The remaining members of the original Zena Gallery Group are Lynfield Ott, Robert Angeloch, Lilian Lent, Roy Barth and Louis Tavelli (who was unable to be present at the first meeting). They explained to the new members their hopes and plans for developing the gallery in its new location in Woodstock. The new members are Ben Johnson, Alice Johnson, Aneek du Charme, Gladys Plate, Frank Alexander, Tanya Padwa, David Ruff and Marguerite Isaacs.

William Hand was also invited to the first meeting to discuss plans for converting the gallery rooms over the Nook Restaurant into a place suitable for the Zena Gallery. Mr. Hand owner of the building, is working with the group to make an attractive gallery for the public to view the Zena Gallery Group shows, and is proving helpful and cooperative in his assistance to the group.

The new gallery will be open to the public from Sunday, June 17, with an opening reception, to late fall. The exact time of the opening party will be published next week. There are to be ten shows, and each show will extend over the period of a week. Three solo-shows will be included in the schedule of the current season. There will be no admission fee charged at any time during the summer and fall.

The Gallery plans to be open seven days each week. From Monday through Friday, the gallery hours are 1:30 p. m. to 5:30 p. m., Saturdays and Sundays the gallery will be open from 1:30 p. m. to 5:30 p. m. and in the evenings over weekends from 7 p. m. to 9 p. m. Marguerite Isaacs will act as regular gallery manager and secretary, with the different members relieving her two days each week. The names of the relief attendants will be announced later.

Plans for the summer were made at the first meeting of the group and details involving the choice of committees were completed.

The Zena Gallery Group feels that Woodstock has long needed and lacked the opportunity for the newer, talented artists to show their work to the art public, and the Zena Gallery will fill this need for these artists. Each new member accepted in the group was chosen unanimously for his particular qualities as an artist, and as a contribution to the original group in its efforts to reach the goal of the Zena Gallery.

New Courses Added At Craftsmen Guild

Woodstock, June 7—The Woodstock Guild of Craftsmen has expanded its Adult Education Program with a number of new and timely courses in the arts and crafts. The afternoon courses in weaving by Esther Sluizer, instructor, and in jewelry by Joan E. Pond, instructor, began June 5, but there is still opportunity for enrollment. The weaving class is designed for beginner, intermediate and advanced pupils, and the jewelry class covers use of metals, stones and wood.

On June 13, Jerry Jerominek will begin his evening classes in new techniques for silk screen, designed especially for artists who wish to reproduce their own works. A similar class for beginners is planned for later.

Other classes to start in July are: Ceramics by Bea Binger, enameling on metal by Joan E. Pond, the new subjects of papiermache, including puppets, masks and decorative objects, and design for wall paper, fabrics and the crafts in general, both by Margaret Wetterau.

Wicks and Wilson To Address Club

Woodstock, June 7—The Town of Woodstock Republican Club will meet at Deanie's Restaurant Thursday, June 14, at 8 p. m. Speakers will be Senator Arthur H. Wicks, Assemblyman Kenneth Wilson and other leading Republican County officials.

Voting of the club by-laws will take place, and other important business discussed.

This will be the club's kick-off meeting for 1956. All members are urged to attend and bring as many friends as they can.

Village Notes

Woodstock, June 7 — Ralph Wickiser, Woodstock artist, who has been instructing at the University of Virigina, has been appointed head of the art department of the New Paltz State Teachers College. He begins his duties there August 1.

Mr. and Mrs. Alfred Weyhe have returned from a successful showing in Havana of the little exhibition of the Miami Artists Association which was sponsored by the Lyceum in Cuba. The show was hung for two weeks at the Washington Art Galleries, Miami Beach. A painting by their son, Edmund O. Weyhe, of Woodstock and Kingston, "Still Life," was of top interest in this show, according to the Miami papers. Mr. Weyhe is also represented as one of the 50 Florida painters of 1955 for the John and Mabel Ringling Museum of Art, Sarasota, Fla., with a painting "Blind Man's Bluff." He is guest instructor in the life class of the University of Miami.

Mr. and Mrs. Howard C. Umhey of Mt. Tremper, celebrated their wedding anniversary, Tuesday, June 5. Mrs. Umhey is editor of the Ulster County Townsman.

In an average year, one of every four American families moves.

Orange Pineapple Chiffon Is Fitting Pie for June

ORANGE BUTTERFLIES flit across the top of this orange pineapple chiffon pie. Its a delicate, flavorsome June dessert.

By GAYNOR MADDOX
NEA Food and Markets Editor

Here's a cool, beautiful orange pineapple pie that tastes like June. It comes from Mrs. C. Sherman Hoyt of Sacramento, Calif., mother of two small children, wife of a military doctor at Mather Air Force Base. Mrs. Hoyt entertains small groups in her home frequently.

"Party foods with make-ahead qualities are my specialty," she says. "That is why this pie is one of my favorites. It can be made as early as you like, in the morning if you wish, and then set in refrigerator until serving time."

Orange Pineapple Chiffon Pie
(Makes one 9-inch pie)

Crust: One and three-quarters cups rolled oats (quick or old-fashioned, uncooked), 1/3 cup melted butter or margarine.

Filling: One envelope unflavored gelatin, ¼ cup sugar, ½ cup drained crushed pineapple, 1 teaspoon grated orange rind, 4 egg whites.

For the crust, toast rolled oats in a shallow pan for 15-20 minutes in a hot oven (400 degrees F.), stirring occasionally the last few minutes. Mix in brown sugar and melted butter. Combine the ingredients well, then press mixture onto bottom and sides of a 9-inch pie plate.

For the filling, soften gelatin in pineapple juice. Combine egg yolks, sugar and orange juice in double boiler. Cook until thickened, about 7 minutes, stirring frequently. Stir in gelatin, drained pineapple and orange rind. Cool. Beat egg whites until stiff. Fold into orange-pineapple mixture. Pour into oats crust. Chill until firmly set. Garnish with butterflies. (To make these, cut thin orange slices in quarters; notch the outer edge and fit two together to look like a butterfly.)

TOMORROW'S DINNER: Quick-frozen pre-cooked deep sea scallops, tartar sauce, broiled tomato halves, parsley new potatoes, green pepper slaw, crisp rolls, butter or margarine, orange-pineapple chiffon pie, coffee, tea, milk.

Jailbreaker Is Indicted by Jury For Man's Murder

Mayville, N. Y., June 7 (AP) — James T. Carter, 32-year-old jailbreaker accused of shooting a companion during a police chase, has been indicted by a Chautauqua county grand jury on a first degree felony murder charge.

Carter, formerly of Rochester, was also indicted yesterday on charges of kidnapping in the alleged abduction of two Jamestown detectives.

Court-assigned attorneys entered a mandatory plea of innocent for Carter on the murder charge before Supreme Court Justice Michael T. Montesano.

The accused was not arraigned immediately on the kidnapping charges. He was ordered held in county jail here for trial. No trial date was set, but it was expected to be held during the October term of Supreme Court.

Carter was accused of the fatal shooting of John Dedrick, 23, of Corning, who broke out of the Schuyler county jail at Watkins Glen with him May 19.

Authorities said that although the shooting of Dedrick apparently was acidental, Carter faced the murder charge because the shooting took place during the commission of a felony, namely, first degree assault, grand larceny and jailbreak.

The running gun battle with police that ended in death for Dedrick began in Jamestown May 21, when two detectives stopped the pair on a street for questioning.

Request Denied

New York, June 7 (AP)—A surrogate has turned down without comment a request by the grandmother of slayer Wayne Lonergan's son for $70,993 to furnish a $37,500 penthouse for the 13-year-old boy. The maternal grandmother, Mrs. Lucille Burton, yesterday asked Surrogate William T. Collins for the funds, saying the cash was needed to make a "suitable" home for the youngster "as he approaches majority." The boy's name has been changed from Wayne William Lonergan to William Anthony Burton. His income is $75,000 a year. His father is serving 33 years to life in prison for the 1943 slaying of his socialite wife, Patricia Burton Lonergan. In her application, the grandmother said the money was needed to convert the penthouse properly, including air conditioning.

Quits Singapore Post

Singapore, June 7 (AP)—Chief Minister David Marshall handed in his resignation today to the British governor in Singapore. The leader of the minority labor front government had said he would resign after an all-party delegation he led to London failed to secure independence for this strategic British island colony at the tip of the Malayan peninsula.

Printing Contrast

Ashton, Idaho (AP) — Ralph Hunter, editor of the Ashton Herald, received a letter from Heber Hartvigsen of the San Diego Union, who published the first newspaper in Ashton. Hartvigsen wrote that the Union's new presses could turn out 52,500 copies of a 96-page newspaper in an hour. Hunter made come computations and wrote back that at that rate, one edition of the weekly Herald could keep the Union's presses humming for exactly three and one-third seconds.

Clergyman Calls For Better Housing in City

A plea for better housing in the city was made by the Rev. S. B. Chappell, of St. Marks AME Zion Church, at Tuesday night's Common Council meeting.

The Rev. Mr. Chappell spoke in behalf of the Richard Allen Youth Council and his short talk was applauded by the audience of nearly 100 which attended the session to hear discussion on the uptown one-way traffic proposal.

After asking whether it was true or not that the city could have available $2,500,000 "for better housing," the speaker denounced deplorable and unhealthy housing conditions, and stressed "the cry of the people of Kingston for better houses."

The Rev. Mr. Chappell suggested that those living well in good homes visit those living under deplorable conditions. He pleaded for wisdom in dealing with the problem. He has visited the homes of those living in poor conditions, he said, and noted that "some sources" say they are satisfied. Whether they are or not, he held, something should be done to eliminate deplorable conditions, and he asked for a satisfactory reply to his request.

Bloomington Vols' Coin Card Drive To Pay Mortgage

Members of Bloomington Fire Company will canvass the fire protection district Monday, June 18, to collect the coin cards which they hope will be instrumental in permitting the burning of the mortgage of the company.

The special coin cards were distributed by the volunteer firemen during February to all residents of the fire protection district for the purpose of retiring the mortgage.

Residents are cautioned by Frederick F. Sauer, president of the fire company, not to give the completed cards to anyone unless they are with the fire truck which will be making the calls throughout the district.

The schedule of calls is as follows:

Bloomington and Creek Locks, Monday, June 18; Maple Hill, LeFever Falls, Whiteport and and Route 32, Tuesday, June 19 and Eddyville, Wednesday, June 20.

Mr. Sauer said, "The burning of the mortgage can only be accomplished with the full cooperation and the generous donations of the people in the fire protection districts. The fire company is making their home and community a "fire safe place to live."

P-T Council Sets Closing Meeting On Monday Night

The closing meeting of the Parent-Teacher's Council will be held Monday, June 11, at 8 p. m. in the library at Kingston High School.

Features of the meeting will be a film, "Shyness," a McGraw-Hill picture, presented to the group through the courtesy of the Ulster County Tuberculosis and Health Association and a talk by Dr. Edward F. Shea.

Dr. Shea will discuss the film and will speak on the topic, "Mental Health." His talk will stress the need for a mental health program in Ulster county.

Committee workers arranging the meeting include Mrs. George Dingee, Keron O'Neill and Gerald Shampo.

The business meeting will consist of plans for adjourning for the summer and also to schedule a program for the first meeting in the fall. Recommendations or approval of the by-laws for the Council, distributed at the last meeting, also will be discussed.

Enters Guilty Plea To Forgery Charge

Russell Merrihew, 22, of Esopus entered a plea of guilty to forgery in County Court Wednesday. Sentence will be imposed on June 12 at 2 p. m. He and a companion allegedly took a check from a mail box, endorsed it and later cashed it. Seymour Werbalowsky appeared for defendant.

Bartley Leon Smith was arraigned before Judge Bruhn on a charge of illegal possession of a firearm. He said he would get counsel and the case was postponed. A plea of innocent was entered.

Costello Wins Delay

New York, June 7 (AP)—Gambler Frank Costello, pleading he was without an attorney, has won a delay of his denaturalization trial until Sept. 4. Costello, under a five-year sentence for income tax evasion, was granted the adjournment yesterday by Federal Judge Edmund L. Palmieri. The court warned Costello that if he is without counsel Sept. 4 he will be forced to undergo trial without an attorney. The defendant said he was seeking to obtain the services of Attorney Edward B. Williams of Washington, D. C.

Ten Will Take Agility Tests for City Jobs

Six men who have passed mental and medical examinations for establishing a fire department eligibility list and four who passed similar tests for police department appointments will be given agility tests at 7 p. m. today at Dietz Stadium.

The Municipal Civil Service Commission expects that results of all tests for the eligibility lists will be announced soon after results of tonight's tests are compiled. The mental examinations were taken in March and the medical tests in May.

Jaycee Concert Slated Tonight For Youth Fund

Novelty numbers, marches, popular music, and semi-classical music will share the spotlight as the Onteora Central School Band, under the sponsorship of the Kingston Junior Chamber of Commerce, presents a concert at 8 o'clock this evening at the George Washington School. Entire proceeds from the concert will benefit the Kingston Junior Chamber of Commerce youth activities fund. Tickets may be purchased at the door.

Featured in the concert will be the school's 80-man concert band, its 18 man dance band, and its drum majorette squad.

"Success in this concert will enable the Kingston Junior Chamber of Commerce to increase its effectiveness in the area of youth activities." Jaycee president, Chester B. Diffley said.

Present Kingston Jaycee youth activities include the Christmas shopping tour, the "I Speak for Democracy" contest, the Teenage road-e-o, junior golf, junior tennis, Little League, and the "Lite-A-Bike" campaign.

Chairman of the band concert committee is Attorney Seymour Werbalowsky. Other members of the committee are Morton Gazlay, program; Wayne Archibald, ticket distribution; and Marvin Millens, publicity.

Three Drivers Are Arrested by Police

Three drivers were arrested last night and yesterday on reckless driving and speed charges.

Donald DeKoskie, 19, of Snyder avenue, was arrested by Officer Ira Hadsel at North Front street and Washington avenue, on a reckless driving charge at 4:59 p. m. The case was adjourned until June 14, to permit him time to obtain counsel, when he appeared today before City Judge Raymond J. Mino.

Peter Fisher, Jr., 21, of 19 Liberty street, was arrested by officers Gilbert Gray and Edward Edwards at 10:50 p. m., on a charge of driving at a dangerous speed. He was paroled for appearance in court today and the case was put over until Saturday.

Louis Coisson, 31, of Ulster Park, was arrested at 9:40 p. m., on Broadway by Gray and Edwards on a speeding charge. He posted $10 bail for appearance in court Saturday.

'Penny Man' Arrested

New York, June 7 (AP)—Ronald Joseph Eager, 22, one of two men who allegedly robbed a Long Island City bank of $20 in pennies, overlooking more than $53,000 in currency was arrested yesterday in Miami, Fla., James J. Kelly, special agent in charge of the New York FBI office, announced. Eager, together with Allen A. Snyder, also under arrest, robbed the Long Island City Savings and Loan Assn.. 37-10 Broadway, Long Island City, on Dec. 17, 1954, according to Kelly. He said Eager cowed employes in the rear of the bank by brandishing a pistol and grabbed a money bag from the vault.

Flocking to Site

New York, June 7 (AP)—The New York State Power Authority notes that sightseers have been flocking to look over the site of the St. Lawrence river power project. Authority members heard a report yesterday that "people are coming in there more and more all the time to look the work over." Discussion centered about development of a corps of guides for power project tourists and the use of micro-wave-television screens showing construction work going on at the houge project near Massena, N. Y. A film on the work also is being mdae.

Some seedsmen coat small seeds with clay to aid in proper planting.

Army to Release 475 Reservists

Washington, June 7 (AP)—The Army announced today it will discharge 475 ready reservists and transfer 500,000 others to the standby reserve list.

IT DESCRIBED the action as a wholesale effort to terminate the military service liability of World War 2 and Korean veterans and to weed out dead wood.

An Army announcement said this screening process will take place in the 12 months starting July 1. When completed, the Army said, it will leave in the ready reserve only those who are fit, who possess needed military qualifications and who will be available for immediate active duty in time of war or national emergency.

THE READY reserve is composed of individuals and organized units who would be called to active duty promptly in time of war or a national emergency declared by Congress or the President.

The standby reserve is liable for active service only in time of war or in an emergency declared by Congress.

The Army's ready reserve now has a nominal strength of 1,885,000, exclusive of the National Guard which will number 407,000 by the end of this month. The present strength of the standby reserve is only 8,500.

Saugerties Man Is Arrested After Aid Call

A man who called Kingston state police early today to ask assistance, claiming he had been threatened, was arrested a short time later on a charge of disorderly conduct.

He is William E. McQuade, 62, Box 556, Saugerties.

Troopers said the man refused to give his name or location. The call was traced through the cooperation of New York Telephone Company operators to the Lincoln Park Inn, Albany avenue extension.

Troopers Jack Ripa and Robert Flynn, who made the arrest, said the man was not apparently intoxicated.

Mr. McQuade was arraigned before Justice of the Peace Millard Davis of the town of Ulster. The case was adjourned for trial at 7:30 p. m. today before Judge Davis. Mr. McQuade was committed to the Ulster county jail in lieu of $25 bail.

Love Over Reds

St. Louis, June 7 (AP)—Mrs. Ann Yasgur Kling told congressional investigators yesterday she quit the Communist party in 1947 because of "a young man with whom I fell in love." "He strongly disapproved of the Communist party and its teachings," she explained. "I just stopped going to meetings." The 34-year-old housewife was a witness before a subcommittee of the House Committee on Un-American Activities. The group, headed by Rep. Moulder (D-Mo.), is holding hearings on the extent of Communist activities in the St. Louis area.

Man Killed in Crash

Pelham Manor, N. Y., June 7 (AP)—A man was killed and a man and a woman were injured today in the collision of a truck and an automobile. The dead man was Bland Farrar, 22, of Afton, Va., driver of the truck. Injured were Perc Shawalter, 31, of Afton, and Mrs. Nancy H. Kelleher, 27, of Greenbush, near White Plains, N. Y. Farrar and Shawalter were in a truck which collided with Mrs. Kelleher's car at an intersection.

Denies Arms From Reds

Hong Kong, June 7 (AP)—Communist North Viet Nam today denied it has received arms and military personnel from Communist China. In a letter to the International Armistice Control Commission, Col. Ha Van Lau said: "The slanderous allegation that the Viet Nam Democratic Republic has received Chinese arms and military personnel is entirely groundless and aims at whitewashing American violations."

Jim Mackey, the Windham pitcher president Fred Davi of the City Baseball League plans to start in the New York-New Jersey League opener Saturday at Dietz Stadium, made it big in his twilight league debut yesterday.

Pitching for the Saugerties Whiz Kids, a new entry, Mackey blanked Mickey Sweeney's Ellenville tossers, 12 to 0, for the first kalsomine job of the season.

MACKEY allowed only two scattered singles, struck out 11 and walked only two. Batting in the No. 5 spot, he drilled a double and single and knocked in a run.

The Whiz Kids raked Mickey Sweeney and Bob Pomeroy for 15 safeties, including three singles by Hank Barber. Iannone belted a single and triple and drove in two runs. Don McCaig and Joe Benjamin Jr. also accounted for two hits.

Saugerties exploded with four runs in the fourth inning to widen a 1-0 lead and turned the game into a rout with a cluster of six in the fifth.

Darkness halted the contest after six innings:

Doblers Beer meets Jones Dairy in this evening's game.

Today's Game

Braves vs. Giants (at East Kingston).

Mike Celuch was a busy lad in the Glasco-East Kingston Little League. His accomplishments defensively and on the bases gave the Dodgers a 3-2 win over the Yankees who collected a meager two hits.

Celuch's performance overshadowed a three-hitter by Paul Natale who racked up 12 strikeouts. Celuch struck out eight and issued four walks, then proceeded to break a four-inning tie by stealing home for the victory. He and Leonard Robinson shared the pitching chores.

IN THE SIXTH Celuch walked and moved to third on a passed ball and an error. He was equal to the taxation of stealing home when he came back, gave up a walk, hit a batter and struck out the next three hitters to face him.

A hit batter, a walk and singles by Celuch and Robinson scored the Dodgers' first two runs in the first inning. The Yankees posted two runs on a walk, Natale's single and Lou Spada's double to right field.

Maglie Failed as Indian

Cleveland (AP) — Members of the Cleveland Indians hope Sal Maglie gets to see more work with the Brooklyn Dodgers than he saw with the American Leaguers. In almost one year with the Tribe, Maglie failed to win during 31 innings of pitching in 12 games. His only two decisions were setbacks. He failed to go the distance in his only two starts for the Indians in 1955.

SHIFT—Lou Boudreau demonstrates with tape and baseballs the shift to the right the Kansas City manager designed to stop Mickey Mantle when the Yankee slugger is batting left-handed. Looking on are, left to right, Country Slaughter, Bobby Shantz and Lou Kretlow of the Athletics.

The New York-New Jersey League, a robust nine-team circuit in its second year of operation, moves into Dietz Stadium Saturday night at 8:30 p. m.

And Manager Fred Davi of the Kingston Colonials has Jim Mackey, Windham twirler who hurled a City League shutout yesterday, primed to go against the Brooklyn Windsors.

BECAUSE of unsettled weather, only four games have been played in the inter-state league, but the promise of the weather man's smile indicates a full schedule for the weekend.

Manager Davi, who may be just the business manager after Saturday's inaugural, will present a temporary, but solid, lineup against the Windsors.

The pitching staff especially will be bolstered when colleges close.

The infield array will present Johnny Godwin or long hitting Johnny Armstrong at first base. Bill Haber is at second, Cliff Schoonmaker at third and Jim Scarth, property of the Pittsburgh Pirates, at shortstop.

THE OUTFIELD quartet includes Jim Jackson of recent Kingston High School fame; Tom Carlino, the reformed shortstop; Steve Cea and Red Gorsline.

Mike Zowack of Catskill is the No. 2 catcher behind Duke Dale of the same village.

Bob Maines, Bruce Bechtold, Jack Houghtaling and John Mustion of Ulster county high school renown make up a splendid pitching corps.

Dodgers Not Using Mirrors, Just Some Solid Pitching

By ED WILKS
The Associated Press

So the Pittsburghs win five of seven and the Cincys win five of six and St. Louis takes four of five. But how about those Brooklyns? They win four straight the hard way—with Roy Campanella in a slump.

Campy, three times the National League's most valuable player, is hitting .230, without a home run since May 3, no extra base hit since May 15 and no run batted in since May 22. This can't be what the world champions had in mind when they made him the highest paid Dodger yet with a $42,500 contract.

What's more, the big catcher isn't alone. Duke Snider, at .305, and Randy Jackson, at .351, are the only Brook regulars hitting over .300. And Jackson just made the first string six days ago, taking over third base from Jackie Robinson (.228).

What's the answer? Pitching.

The Dodgers made a sweep of a three-game set at Milwaukee last night with Don Newcombe's five-hitter beating the Braves 5-2. Milwaukee, losing six of seven, had only 10 hits in the series as the Dodgers got three complete games from their pitching staff.

SAL MAGLIE three-hit the Braves Monday 3-0. Roger Craig two-hit 'em Tuesday 6-1. And then came Newk, winning his eighth. The three righthanders gave up just one walk apiece, and struck out 14.

Brooklyn now is but 8 percentage points shy of the fourth-place Braves. Both are two games behind first-place Pittsburgh, which walloped the Chicago Cubs 8-2. Cincinnati, 4 points back, smacked Philadelphia 7-3, and St. Louis, 4 points farther back, cracked New York 3-2 in 11 innings.

The American League got back to normal. Boston ended Detroit's winning streak at seven games 5-4 and the New York Yankees kept their 3½-game lead by breaking their four-game losing string 10-5 against Kansas City. Cleveland remained in second, beating Baltimore 5-1. Chicago's White Sox lost at Washington 12-7.

Both Milwaukee runs were unearned, coming on Hank Aaron's seventh homer after a two-out error in the first. Snider hit his 10th homer in the top of the first, then the Dodgers added one in the third and scored the clincher in the fifth when Jackson walked with the bases loaded. Newk fanned six. Campy was 0-for-3. Gene Conley (1-2) was the loser.

A three-run homer by Frank Robinson and a solo shot by Gus Bell, both in the seventh inning, brought the Redlegs from behind and gave unbeaten Brooks Lawrence his seventh victory. Both homers were No. 12. Stu Miller was the loser.

THE CARDS tied it at 2-all with a run after two were out in the ninth, then nailed it on Jackie Brandt's double off reliefer Johnny Antonelli. Hoyt Wilhelm, third Giant pitcher, was the loser. Ellis Kinder won it. Starter Tom Poholsky hit Hank Thompson in the head with a fourth-inning pitch and the Giant third baseman, wearing the plastic helmet mandatory in the NL, suffered a severe concussion.

Dale Long, Frank Thomas and Roberto Clemente homered for the Bucs as Ron Kline won his fifth and Paul Minner lost his fifth. Long, hitting his 16th homer, retired in the third with a pulled leg muscle, which wasn't considered serious. Clemente had four-for-four — giving him seven consecutive hits at the moment.

Three runs in the eighth cracked Detroit's string as Sammy White hit his second two-run single of the game to beat Paul Foytack. Tom Brewer won his eighth, with Ike Delock's help in a two-run Tiger ninth. Detroit tied it at 2-2 in the sixth—after Bill Tuttle's grounder got lost inside the shirt of their baseman Billy Klaus.

YOGI BERRA'S 15th homer and Bill Skowron's second helped the Yanks, who chased Tom La Sorda with an 8-0 edge by the third. Mickey Mantle had a single, but was hitless both times the A's pulled their new shift. Bob Grim won with Tommy Byrne's relief.

Cleveland bunched five of its seven hits in the fourth and fifth off Connie Johnson to score all its runs. Art Houtteman, leaving with a sore shoulder in the sixth, and Ray Narleski blanked the Birds for 8 2/3 innings.

Miss Faulk Sets Pace in Virginia Round Robin Golf

Virginia Beach, Va., June 6 (AP) — Mary Lena Faulk, of Thomasville, Ga., set the first-round "plus and minus" pace today and Mickey Wright, of San Diego, tied the competitive course record as action began in the 90-hole $12,000 Triangle round-robin golf tournament.

Miss Faulk, a professional little more than a year, came off the 6,055-yard par 71 Cavalier Yacht and Country Club course with a plus 20 points.

The 21-year-old Miss Wright, who said she "fired the best round of my career," carved a medal score of 69 and wound up in the round-robin competition four points behind the pace-setter. Miss Wright's performance tied the course record for women set by Miss Faulk during the 1950 Southern Women's Amateur.

Gaffney, Turck First Herdegen Entries

Charles J. "Jimmy" Turck of Wiltwyck Country Club and Charles H. Gaffney of The Twaalfskill Club were the first entries in the sixth annual Father Herdegen Memorial golf tournament, secretary Ralph E. Gardner has announced.

The tournament, a 72-hole affair after running 54 holes in 1955, starts Saturday, June 16 at the Twaalfskill Club and winds up at Wiltwyck on Sunday, June 24.

TURCK HAS competed in the last four tournaments, finishing fourth with a 304 total in 1954 and fourth with 224 last year.

Gaffney will be making his fourth start in the county amateur championship.

Early interest among the county's simon pure stars indicates this year's field will exceed the 50 entries recorded last year.

All of the "name" golfers in the area, including the four county club champions are expected to compete. A sprinkling of new IBM golfers also is expected to add spice to the field.

THE FIELD will be reduced after the first 36 holes of play, the number of finalists to depend on the total entry.

The winner receives the Herdegen Memorial trophy, symbolic of the Ulster county championship. Runnersup receive attractive merchandise prizes.

Deadline for entries is Thursday, June 14, with tournament secretary, Ralph E. Gardner, 50 Johnston avenue, Kingston.

Fullmer Next For Boyd After Kayo of Savage

Chicago, June 7 (AP)—Gangly Bobby Boyd of Chicago has made a strong pitch for a chance at Sugar Ray Robinson's middleweight crown—but he is finding the line forms on the right.

Boyd, 22, won his ninth straight victory last night with a 10th round TKO over 30-year-old Milo Savage, the last fighter to defeat him.

Savage was wrestled out of the ring and fell in a heap on the Chicago Stadium floor in the fourth round.

By the eighth, he seemed to be favoring his left leg. In the ninth he slipped once and then folded again for what passed as an official knockdown. In the 10th and final round, Boyd landed a sharp right to the head and Savage buckled to the canvas.

HE WAS ON his feet almost immediately but his manager, Jack McCarthy, motioned to Referee Joey White to stop it.

The report by the Illinois Athletic Commission's physician, John Pribble, was that the Utah veteran either had bruised or fractured a floating rib in the fall from the ring apron.

Robinson now looks as if he either will meet Art Aragon on the west coast or Carmen Basilio, if Carmen regains his welterweight title.

Boyd will have to be content with a next match involving perhaps Gene Fullmer.

Trotters Open At Saratoga

Saratoga Springs, June 7 (AP)—The Greenwich Trot, with a $3,600 purse, will be the feature event tonight at the opening of the Saratoga Raceway.

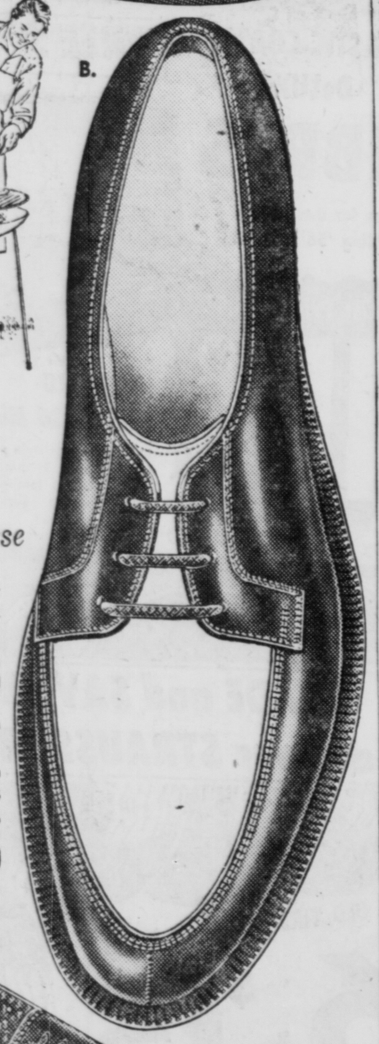

There will be 69 nights of racing in the 15th season which continues through Aug. 25.

Purses for the meeting total $590,000, the track announced, up $32,740 from 1955. About 600 trotters and pacers are expected to race this year.

Cody Resigns As Olympic Coach

West Los Angeles, June 6 (AP)—Jack Cody, coach of the 1956 Olympic women's swim team, has resigned on his doctor's advice, he said tonight.

For 37 years Cody was coach at the Multnomah Athletic Club, Portland, Ore., where he developed many national and Olympic champion girl swimmers.

Cody said he had a little high blood pressure and his doctor thought it would be better if he did not undertake the coaching job.

Harriman Orders Inquiry On State Pheasant Disease

Albany, June 7 (AP)—Gov. Harriman has ordered an investigation of a high-level feud in the state Conservation Department.

He said yesterday that he would appoint "three outstanding conservationists" to do the job.

Conservation Commissioner Louis A. Wehle, a Harriman appointee, has accused personnel of the Bureau of Fish and Game of "gross negligence or sabotage" in the death of 15,000 pheasants on a state farm.

He said that Dr. E. L. Cheatum, the bureau chief, had to bear the responsibility. Cheatum has denied he was to blame.

Harriman said he had decided on the investigation because of the seriousness of Wehle's charges. He said the commissioner had concurred in his decision.

The commissioner originally said that he planned to shake up the bureau and that he had the backing of the governor.

THE GOVERNOR'S office said the three-member investigation panel would be named "as soon as possible."

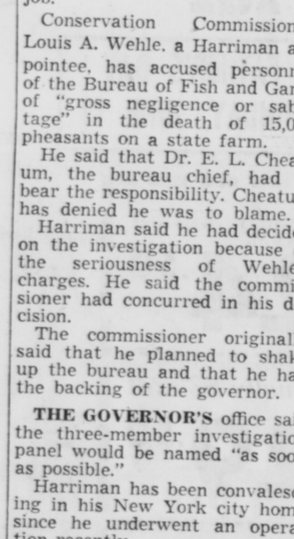

Harriman has been convalescing in his New York city home since he underwent an operation recently.

Wehle said the Bureau of Fish and Game had been at fault in shipping birds with botulism, a fatal disease, from a farm at Delmar, near Albany, to an experimental project on Grenadier Island in Lake Ontario.

Cheatum said the disease had been in existence at Grenadier before the Delmar birds arrived.

Wehle also has accused his subordinates of misleading him on the extent of an outbreak of tuberculosis in pheasants at the John White game farm at Oakfield, Genesee county.

Dartmouth twice went to the finals of the NCAA basketball tourney. In 1942 the Green lost to Stanford and in 1944 Utah was the winner.

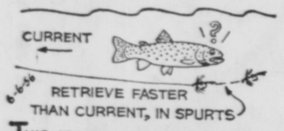

HONORED TEACHER — Lon H. Colborn, a high school teacher in Pittsburgh, Pa., has received an honorary master of science degree from the Carnegie Institute of Technology. Colborn was cited for "inspiring a whole generation of talented high school students toward careers in engineering and science." Carnegie Tech, which honored five men this year, had previously awarded only nine honoraries in its entire history.

Mirons Shut Out Subway, 4-0 Wimpy's Bolster League Lead

Dick Bradley Hurls 4-Hitter

Dick Bradley, the Miron Lumber pitching ace who had some difficulties the last time out, achieved a rare City Softball League performance yesterday.

He shut out the hard hitting Subway Grill, 4-0, on four hits to best veteran Tom Spada's in the circuit's No. 1 game. They don't do that very often anymore.

The Lumberjacks collected only five hits off Spada but four went for extra bases. Roy Casella cracked a three-run homer in the sixth. Rod Whittaker and Bradley had doubles and Don Moyer inserted a triple. Frank Spada had a double for Subways.

Perry's were outhit by Hilltop Rest, 10-6, but scored a 10-4 triumph as Joe Venuti got the win over the combined efforts of Don Koeppen and Cosmos Costello.

DICK TERLINGER who was moved up in the batting order slugged a homer for Perry's. Tony Musto hit a double and single. Schryver and Primo each had three hits for Hilltop. John Crespino powered a triple for the winners.

Ben Freer and Joe Enright of Chez Emile nipped Jack Kozlowski and Prospect Dairies, 4 to 3. Freer pitched three-hit ball in five innings and had to leave the game when struck on the arm by a batted ball. He contributed a single and homer and three RBIs to his own cause.

George Glaser singled and doubled and his brother, Bill, had two singletons for Chez Emile. Fred Orr's two singles and Lou Perry's triple paced Prospects.

WIMPY'S Grill held on to first place with a 12-7 victory over Madden's TV, behind the slick 6-hit pitching of John Woods.

Jake Smith got Wimpy's off to a fast start with a homer and the Grills led 12-2 before Madden's picked up five runs in their last two turns.

T. Hines unloaded a triple and two singles and Hank Diamond a trio of singletons for the winners. George Holstein blasted a triple.

Bernstein socked three singles for Madden's.

Dodgers	0	4

John Wojcio fattened the Ulster Kiwanis Yankess first-place bulge in the Town of Ulster Little League yesterday, as he fashioned a neat four-hitter and struck out 10 to defeat the Ulster Hose Dodgers, 6-5.

His control ran to his extremes. Wojcio's strikeout performance nonetheless overshadowed the fact that he issued seven walks.

BILL BENSON and Bill Kiely shared the Dodgers pitching stint and gave up seven hits. Benson fanned two.

The Yankees clustered four runs in the third and got the lead with a two-run sixth frame after the Dodgers had tied it in the fourth. Extra-base hits were stroked by John Kelly, Lee Buley, Paul Gorman and Ed Koeppen.

New Post for Vines

Inwood, N. Y. (AP)—Ellsworth Vines, former national amateur tennis champion, is an eastern golf pro now. He has assumed his duties as pro at the Inwood (Long Island) Country Club. In October he will return to the Tamarisk Country Club at Palm Springs, Calif.

Veteran Coach Quits

San Jose, Calif. (AP)—Walt Williams, San Jose State baseball coach, has resigned to enter private business. He ends a 34-year career during which time he helped develop former Yankee outfielder Myril Hoag and Stanford football coach Chuck Taylor. Williams was at San Jose State nine years.

The late Charlie Kurtsinger won two Chesapeake Stakes at Laurel. He scored with Anchors Aweigh in 1931 and with War Admiral in 1937.

Friday's Game

Eagles vs. Hawks

A couple of firsts were registered in the Jaycee Little League when Bill Reardon blasted a three-run homer and the Crows won their first game of the season defeating the Wrens, 9-3, on Ed Kessler's one-hitter.

The contest was called at the end of the fourth inning because of darkness.

Allen Werbalowski touched Kessler for the Wrens only hit. Kessler fanned eight and walked out an equal number. Pete Leahy who gave up 10 hits walked four and struck out six. Reardon also poked a double off him.

The victory moved the Crows into a second-place tie with the Wrens.

Hint Robinson, Yep, Jackie, to Land With Giants

The sight of Sal Maglie in a Dodger uniform raises the blood pressure of New York Giants fans but the Polo Grounds clientele may be reciprocated for the transgression, if Jackie Robinson winds up in the Stoneham livery.

The latter seemed a good possibility today for there are indications the Giants are interested in Robinson as a gate lure and also as a right-handed-hitting outfielder or third baseman.

Robinson's appeal at the Polo Grounds turnstiles would be considerable. Never in his major league baseball career has he played but in a Brooklyn uniform. Jackie batting against Magley would be a natural.

BUZZIE Bavasi was scheduled to arrive in St. Louis today for other trade talks with Frank Lane, the Cardinals' general manager.

Bavasi is interested in Tom Poholsky, a right-handed pitcher. Lane is a ready trader and a Brooklyn deal appealing to him would start the wheels in motion.

Baseball writers traveling with the Dodgers believe that Rocky Nelson, a hard-hitting first baseman from Montreal, will be offered to the Cardinals.

The Grand National steeplechase was established in England during 1837.

ASTOUNDING!
Never before has the used car buyer been able to purchase the car of his dreams with complete confidence against expensive repair bills.
HERE'S WHY—
1—Every car displaying NBC seal has been thoroughly examined and approved by an independent inspector from National Bonded Cars, Inc.
2—Warranted 1 full year 100% against mechanical failure. NBC will pay all parts and labor.
3—Protection is enforced regardless of mileage travel. GOOD ANYWHERE IN U.S.A.
4—Performance of your warranty is backed by a $120,000,000 liability assurance cooperation.
5—Our cars are priced below book.
6—We are the first and only dealer in Ulster County that carries this warranty with ABSOLUTELY NO COST TO BUYER.

Flo Beichert Gains Average Honors in WML

Flo Beichert captured two titles in the Women's Major League — average and single game. In 105 games she averaged 157.78 and soloed 245.

Three other women had better averages than Mrs. Beichert, but didn't roll in the necessary 2/3 games. Dot Rawding was the leader with 176.53 and Elizabeth Bruck and Evelyn Gross followed with 168.20 and 165.20, respectively.

Mrs. Rawding fired the high series, 635 and Miss Bruck was second with 616.

Jakes Grill topped the first half team shooting with a 853 single game and 2433 match score. The Bert Bishop keglers won the same honors in the second half of the season with 723 and 1983.

Would Send Scientists

Rochester, N. Y., June 7 (AP)—The Russians would like to send 14 of their scientists to next year's high energy nuclear physics conference at the University of Rochester. This was disclosed yesterday by Dr. Robert E. Marshak, chairman of the university's physics department, who recently returned from a similar conference in Moscow. He was one of 14 scientists who attended the sessions in that country.

Opera Closing Put Off by New Terms

New York, June 7 (AP)—Agreement has been reached between the American Guild of Musical Artists and the Metropolitan Opera, erasing a threat to cancel out the 1956-57 season starting in the fall.

The opera had said it would call off next season's program unless it could come to terms with the union.

Negotiations resumed yesterday and the agreement was hammered out last night.

The union had sought $2.70 an hour rehearsal pay, $1 above the present rate. The agreement included payment of an unspecified amount after a certain number of hours of unpaid rehearsal.

The new pact covers 220 singers, chorus members, and ballet dancers.

Retired Admiral Dies on Coast

San Diego, Calif., June 7 (AP)—Retired Adm. Charles Turner Joy, who headed the United Nations truce team for 11 months of tedious armistice negotiations with the Communists in Korea, died yesterday. He was 61.

Joy died in the naval hospital here. His widow, Martha Ann, said he had leukemia the past four years.

The admiral was commander of UN naval forces in the Korean war and in 1951 was named senior delegate of the UN Command delegation to the Korean armistice conference.

He asked to be relieved as chief negotiator on May 22, 1952, expressing distrust of the Chinese Communists but agreeing the talks were the desired course for the United Nations.

Later Joy declared in his book, "How Communists Negotiate," that the UN should not have accepted the Korean armistice. Instead, he said, the UN should have pursued victory in Korea.

Reports 'Sea Monster'

Chatham, Mass., June 7 (AP)—There's a new "sea monster" loose in the North Atlantic. The Liberian freighter Rhapsody last night reported the presence of a 45-foot, white-spotted sea turtle in the ocean south of Nova Scotia. The coast guard warned all navigation to be on the alert for the giant reptile which, said the coast guard, has 15-foot long flippers and can rise eight feet above the surface of the sea.
